May 2017

Bellarine Peninsula Community Branch Limited newsletter.

Snorkelling Program - St. Leonards Primary School.

In March 2017 the Portarlington and Drysdale **Community Bank®** branches provided funding for a snorkelling program for all grade 5 and 6 students at St Leonards Primary School run by Jarod Boord who operates Bellarine Snorkel Tours.

Twenty six students embarked on a new learning adventure to ensure they can leave primary school knowing, understanding and caring about their local marine environment.

Students and teachers worked in and with the community to making the most of the amazing natural resources that St Leonards has to offer. This program engaged and empowered students. It helped them learn to take care of the world where they live by taking action in their own community and most of all they had fun!

It links with Victorian Curriculum concepts in science, geography, health and physical education and the social and personal capabilities.

Below is Jarods outline for the 2 sessions the children completed.

Session 1 (1.5 - 2 hours): Learn about snorkel equipment and how to use it. We teach you about the marine environment, the history of Port Phillip Bay and how to snorkel safely, weather and how to assess conditions before entering. We learn about the animals and plants in Port Phillip Bay.

Session 2 (1.5 - 2 hours): Learn about more marine animals. Improve and refine skills, learn to duck dive and equalise in shallow water. Students attempt to collect tokens placed on the sandy bottom, they learn to duck dive down to pick them up. Citizen Science project, students use dive slates and count the types of fish in the area and we submit our results to a real database to help scientists.

Leave with a new skill for life!

Snorkelling lessons.

"On 16 March 2017 was my first time I went snorkelling. We went down to the jetty on the pier. When we were there we learnt to giant step.

1. Put your hand on your mask.
2. Put your other hand out to the side. This prevents you from going straight to the bottom when you step.
3. Take a big step into the water.

My favourite part was when I saw the two puffer fish swimming and the little fish that looked like a zebra. On the day we were wearing a wetsuit a mask and a snorkel."

Learn to Sail Program - Indented Head Yacht Club. Juniors.

Portarlington and Drysdale **Community Bank®** branches have a proud association with the yacht club and this season has seen two major events.

First was the donation of 2 x Bic Training Yachts to assist with the Club's Learn to Sail Program for kids, families and adults. The Learn to Sail Program is a fun, games-based program designed to provide a safe and enjoyable introduction to dinghy sailing and the Bic Yachts are an integral part for the program.

The second major event saw Portarlington and Drysdale **Community Bank®** branches supporting the club at the Jack Rabbit Wreck2Reef Open Water Swim. This event is the Club's major fund raiser and representing Portarlington and Drysdale **Community Bank®** branches on the day were Directors Paul Jones and Robert Barker with Company Secretary Sandra Baldwin assisting on the day.

MENTORS NEEDED

HELP KIDS GET BEHIND THE WHEEL

This is your opportunity to help young people participate fully in a better community. We are looking for volunteers with driving experience to help our young learner drivers gain on the road experience through our L2P program. All it takes is one hour a week.

L2P is a program which provides access to mentors / supervising drivers for young learner drivers who are facing significant barriers to gaining-on-road experience. Such barriers might include no access to a vehicle or a supervising driver.

4 star ANCAP rated cars are provided by the program, all insurances are covered and training is provided.

For more information or to register your interest please contact Mairead O'Sullivan on 5272 4011 or email l2p@geelongcity.vic.gov.au
