

## Chew Yak Mong – Synerpac to open USA Branch Office

**26 September 2005**

Chew Yak Mong-Synerpac is pleased to announce that the company will officially open their sales and marketing office in Georgia, Atlanta in the United States of America on 10 October 2005.

This office will be managed by Ms Leng Chew Chancey, and will serve as the marketing headquarters for the company, as well as the product sourcing centre for all American products imported by the Company to Asia.

Originally Singaporean, Ms Leng Chew Chancey has been living in the United States for the past 10 years and has worked for multi national corporation Goldkist.

CEO Mr Charlie Chew said today “We are pleased to expand our operations into the US and believe this office will ensure increased ties with US quality suppliers wanting to expand into the South East Asian market.”
