

13th October 2005

For Immediate Release

Cosmedics Australia Limited (NSX:CMA) advises that it is to attend Medica 2005 in Dusseldorf, Germany from November 16-19. Medica is the world's largest medical trade show with thousands of exhibitors and tens of thousands of visitors from all around the globe. 2005 is the 37th year of International Trade Fair with Congress and World Forum for Medicine.

Cosmedics will be exhibiting its Uni-Ject Safety Syringe with a view to finding potential licencees or joint venture partners. It is also important to acknowledge that Cosmedics is receiving financial assistance from the NSW Department of State and Regional Development to attend Medica and to continue it's business development.
