

Betta Electrical Superstore Bunbury

Congratulations to Clive and Judy Berryman, Store Owners of Berryman's Betta Electrical and Gas in WA. Clive and Judy are opening a brand new Betta Electrical Superstore in Bunbury, WA. Berryman's have embraced the Superstore concept, recognising the ability to dominate the market within the Bunbury area. The Bunbury Betta Electrical Superstore will be expanded to over 1350m² from its current 950m² showroom.

Berryman's have taken the step to becoming a Superstore having recognised the need to do something innovatively different. The brand new Superstore, set to open mid-November aims to make available to its customers the vast range of new premium brands and extended range of existing products.

The shopfitters are currently working extremely hard to ensure the November opening date is achieved.
