Dear Sir,

Cosmedics Australia Limited (NSX code- CMA)

Further to our announcement of March 17th 2006, the financial statements for CMA will now be lodged prior to 5pm on Monday next, the 3rd of April 2006. This further delay is as a result of pressure of work being experienced by Benbow & Pike, our accountants, generally. We request that the suspension of CMA be extended until 5pm on Monday 3rd April and we would expect the suspension to be lifted following the announcement of our half-yearly results.

Yours Sincerely,

Dr Bronte Douglass
Chairman
