

VET BIOTECHNOLOGY GENERAL MANAGER'S APPOINTMENT

For NSX

NSX COMPANY ANNOUNCEMENT NSX codes VBL, VBLO

27 June, 2006

Vet Biotechnology appoints General Manager

Vet Biotechnology announces the appointment of Mr David Bridgland as the company's general manager, effective immediately, for a contracted period of 6 months.

Mr. Bridgland has extensive knowledge of the thoroughbred racing and breeding industries and his expertise further enhances the scope of animal biotechnology projects in progress and others planned by the company.

Mr. Bridgland gained invaluable experience as racing secretary at the Lindsay Park thoroughbred operation at Angaston in the Barossa Valley and for the past 10 years as manager of the South Australian Breeders' Incentive Scheme (SABIS). He holds a Bachelor of Science degree, majoring in genetics and zoology and recently graduated with a Diploma of Management from the University of South Australia.
