Dear Sir,

Chew Yak Mong – Synerpac Limited (NSX Code – CYM)

CYM is currently in the process of finalizing the financial statements for the half year ended 30 June, 2006.

Due to unforeseen circumstances related to the introduction of a new computer system, errors were discovered in the half year accounts that required rectification to meet auditors' standards. As a result, the half year accounts will not be completed by the date required by the Listing Rules.

The Directors of CYM also consider inappropriate to provide a preliminary result as it is still subject to a complete review by the auditors.

While the Directors of CYM preferred not to suspend trading of CYM shares, we request you, in accordance with prudent practices, grant a suspension of CYM shares for a period of two weeks to allow the auditors adequate time to provide their opinion.

The Directors of CYM anticipate the signed half year accounts to be available for lodging on or before 29 September, 2006 and expect the suspension to be lifted following an announcement about the half year results.

Yours sincerely,
Chew Yak Mong – Synerpac Limited

Charlie Chew
CEO & Managing Director
