## ANNOUNCEMENT

[Yang Yang China Holdings Limited](#) announced today that Colin Archer, Director of Yang Yang China Holdings has accepted an invitation from the Australia Fiji Business Council to be a guest speaker at the [19<sup>th</sup> Australia Fiji Business Forum](#), Queensland on the 8<sup>th</sup> to 10<sup>th</sup> October 2006. He will be assisted in the talk by Michael Matchett a fellow Director of Yang Yang.

The Forum is the major annual bilateral business conference between Australia and Fiji. [Participants in these Forums](#) have an unparalleled opportunity to learn about business opportunities in Fiji, and to network with senior Australia and Fiji based policy makers and senior businessmen. Any individual or company with current or planned business interests in Fiji should not miss attending this event.

"This is a unique opportunity to discuss the [work being done by Yang Yang](#) with both the Fiji Government and local industry" Colin Archer said today. The talk's topic is the "Sustainability in the Fiji Agriculture and Fisheries - An Emerging Case Study".

Mr. Archer went on to say that, "The talk will examine how Yang Yang in co-operation with the Fiji government and Fijian industry will look at the opportunities to introduce Yang Yang's bio-technology to Fiji and develop their export industry."

## **About Yang Yang**

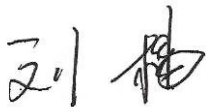

Yang Yang China Holdings Limited is an international bio-technology company focused on developing its' proprietary LETU lactobacillus. Yang Yang is listed on the Stock Exchange of Newcastle and has its head office in Sydney, Australia.
