About Yang Yang Yang Yang China Holdings Limited is an international biotechnology company focused on developing its proprietary LETU lactobacillus. Yang Yang is listed on the Stock Exchange of Newcastle and has its operations in Guangzhou Province, China and Sydney, Australia. Its lead programs involve the licensing of farms in both Australia and China to use LETU lactobacillus in animal feed. For additional information please contact the company on +61-2-9327 7373.

Yang Yang Forward - Looking Statements This statement contains forward-looking statements that reflect the Company's current expectations regarding future events. Forward-looking statements involve risks and uncertainties. Actual events could differ materially from those projected herein and depend on a number of factors including the success of the Company's research strategy, the applicability of the discoveries made therein, the successful and timely completion of clinical studies and the uncertainties related to the regulatory process.

Yours sincerely

A handwritten signature in black ink, appearing to be 'Li Yang'.
