Comments by directors

Comments on the following matters are required by the Exchange or, in relation to the half yearly statement, by AASB 134: Interim Financial Reporting. The comments do not take the place of the directors' report and statement (as required by the Corporations Act) but may be incorporated into the directors' report and statement. For both half yearly and preliminary final statements, if there are no comments in a section, state NIL. If there is insufficient space in comment, attach notes to this statement.

Basis of accounts preparation

If this statement is a half yearly statement, it is a general purpose financial report prepared in accordance with the listing rules and AASB 134: Interim Financial Reporting. It should be read in conjunction with the last annual report and any announcements to the market made by the issuer during the period. This report does not include all notes of the type normally included in an annual financial report [Delete if inapplicable.]

A description of each event since the end of the current period which has had a material effect and is not related to matters already reported, with financial effect quantified (if possible). In a half yearly report, provide explanatory comments about any seasonal or irregular factors affecting operations (as per paragraphs 16(b), 16(b) and Aus 16.1 of AASB 134: Interim Financial Reporting)

On 19 September 2007 the company announced that it had executed a share sale agreement to acquire a controlling interest in VentureAxess Limited. VentureAxess Limited, through its wholly owned subsidiary VentureAxess Fund Managers Limited, manages VentureAxess Capital Limited which owns 71.2% of Jab Technologies Limited following an off market offer completed in early 2007.

VentureAxess Capital Limited has entered into a \$52,000 Converting Loan Agreement with Jab Technologies Limited (Jab) which carries interest at the rate of 10% pa and is convertible into Jab ordinary shares at \$0.075 each, subject to Jab shareholder approval. VentureAxess Capital has also agreed to provide funds to Jab to meet its financial obligations which at 30 June 2007 amounted to a further \$121,999 of Loans carrying interest at 10% pa, with the Loan repayment being deferred in favour of other creditors of Jab.

Any other factors which have affected the results in the period, or which are likely to affect results in the future, including those where the effect could not be quantified.
