At 30 June 2007, Quantum Property Trust No.9 held assets to a total value of \$10,014,853 (2006: \$9,456,486). The basis for valuation of the assets is disclosed in Note 1 in the Notes to Financial Statements.

FEES PAID TO THE RESPONSIBLE ENTITY AND ASSOCIATES

The following fees were paid to the Responsible Entity out of Fund property during the financial year;

- Management fee for the financial year paid to the Responsible Entity was \$0 (2006: \$0)

Refer to Note 11 in the Notes to Financial Statements for further details regarding the fees paid to the Responsible Entity.

The Responsible Entity and its associates did not hold any interest in the Fund for the financial year ended other than as set out in Note 11 in the Notes to Financial Statements.

SIGNIFICANT CHANGES IN STATE OF AFFAIRS

There were no significant changes to the state of affairs of Quantum Property Trust No.9 during the year, other than those changes otherwise identified in this financial report.

SIGNIFICANT EVENTS AFTER THE BALANCE DATE

The Responsible Entity of the QPS9 entered into a contract for sale of the property at \$40.7 million, which was subject to the completion of satisfactory due diligence on the property, as at the date of this report the due diligence investigations had not been completed.

The ultimate holding company of the Responsible Entity has changed to KK daVinci Advisors due to the merge of the previous ultimate holding company with the above entity. As part of this merge the Responsible Entity changed its name from Quantum Syndicate Management Ltd to daVinci Funds Management Ltd.

There has been no other matters or circumstances that has arisen since the end of the financial year that has significantly affected, or may affect the Funds operations in future financial years, the results of those operations or the Funds state of affairs in future financial years.

LIKELY DEVELOPMENTS AND EXPECTED RESULTS

The investment strategy of the Fund will be maintained in accordance with the Fund Constitution and investment objectives.

The Responsible Entity will undertake no further investments in direct property, unless approved by Members. Future results will depend on the performance of the market in relation to the Funds investment strategy.

ENVIRONMENTAL REGULATION AND ISSUES

The operations of the Fund are not subject to any particular and significant environmental regulation under a law of the Commonwealth or of a State or Territory. There have been no known significant breaches of any other environmental requirements applicable to the Fund.

DIRECTORS REPORT

INDEMNIFICATION AND INSURANCE OF OFFICERS AND AUDITORS

The Fund has indemnified all officers and employees of the Responsible Entity against liabilities of the Fund, under the Constitution other than if;

“... provided that the Manager did not act negligently, fraudulently or in breach of duty or breach of trust and acted, in accordance with this Constitution or the law; and acted in good faith”

During the year the Responsible Entity has paid premiums in respect of their officers for liability and professional indemnity insurance for the year ended 30 June 2007. The Responsible Entity has paid or agreed to pay premiums in respect of such insurance contracts for the following year. Such insurance contracts insure against certain liability (subject to specified exclusions) for persons who are or have been the director or executive officers of the Responsible Entity.

Details of the nature of the liabilities covered or the amount of the premium paid has not been included as such disclosure maybe prohibited under the terms of the contracts.

PROCEEDINGS ON BEHALF OF MANAGED INVESTMENT SCHEME

No person has applied for leave of Court to bring proceedings on behalf of the Fund or intervene in any proceedings to which the Fund is a party for the purpose of taking responsibility on behalf of the Fund for all or any part of those proceedings.

The Fund was not a party to any such proceedings during the year.

CORPORATE GOVERNANCE

In recognising the need for the highest standards of corporate behaviour and accountability, the Directors of DaVinci Funds Management Ltd support and have adhered to the principles of corporate governance, other than as noted below.

Outlined below are the following recommendations that have not been followed by the Responsible Entity and the explanation for the departure from best practice recommendations:

- The majority of board members is not made up of independent Directors. Based upon the relatively small size of the operations of the Responsible Entity and the appointment of an independent Director as the chairperson, the Responsible Entity feels that this structure effectively adds value to the company;
- An audit committee has not been established. This is due mainly to the relatively small size of the operations, and the board consults regularly on financial issues concerning the company;
- The Responsible Entity has not requested the attendance by the external auditor of the Fund at the annual general meeting. Should any Members of the Fund raise any questions at the meeting in respect to the conduct of the audit and the preparation and content of the audit report, the Responsible Entity will convey these to the auditor, and seek to provide the Members of the Fund with a written response by the Auditor.
- A remuneration committee has not been established. This is due mainly to the relatively small size of the operations, and the board consults regularly on remuneration issues concerning the Directors and executives of the company.

BOARD COMMITTEES

As at the date of this report, the Responsible Entity had a Compliance Committee and a Nominating Committee.

Members acting on the committees of the board during the year were:

Nominating

Peter Gribble[^]
James Maitland

Compliance

Edmund Thrum[^]
Edmund Khalaf @
Christopher Nicholls @

[^] Chairman of the committee.

@ Edmund Khalaf and Christopher Nicholls are independent consultants and not Directors of the Responsible Entity.

DIRECTORS REPORT

1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) BASIS OF FINANCIAL REPORT

This general purpose financial report has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Corporations Act 2001.

Compliance with IFRSs

The financial report complies with International Financial Reporting Standards (IFRSs).

Historical cost convention

These financial statements have been prepared under the historical cost convention, as modified by the revaluation of investment property.

The following is a summary of the material accounting policies adopted by the Fund in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(b) REVENUE

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of bad debts. Revenue is recognised for the major business activities as follows:

i) Interest income

Interest income is recognised in the income statement using the effective interest rate method. The effective interest rate method is a method of calculating the amortised cost of a financial asset and of allocating the interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial instrument, or a shorter period where appropriate, to the net carrying amount of the financial asset. When calculating the effective interest rate, the Fund estimates cash flows considering all contractual terms of the financial instrument but does not consider future credit losses. The calculation includes all fees and points paid or received between the parties to the contract that are an integral part of the effective interest rate, transaction costs and all other premiums or discounts.

(c) TAXATION

Under current income tax legislation, the Fund is not liable for income tax, provided that the taxable income is fully distributed to members each year. The Fund fully distributes its taxable income, calculated in accordance with the Fund Constitution and applicable legislation, to members who are presently entitled to income under the constitution. Tax allowances for building and plant and equipment depreciation are distributed to members in the form of tax deferred components of distributions.

(d) GOODS AND SERVICES TAX

Revenues, expenses and assets (with exception of receivables) are recognised net of the amount of goods and services tax (GST) to the extent that the GST is recoverable from the taxation authority. Where GST is not recoverable, it is recognised as part of the cost of acquisition, or as an expense.

Receivables and payables are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the taxation authority is included in the Balance Sheet as a receivable or payable.

The GST component of cash flows arising from the investing and financing activities, which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

(e) CASH AND CASH EQUIVALENTS

Cash and cash equivalents includes deposits held at call with banks and other short-term highly liquid investments with original maturities of three months or less.

(f) RECEIVABLES

Receivables are recognised initially at fair value and subsequently measured at amortised cost, less provision for doubtful debts. Receivables are due for settlement after not more than 30 days.

Collectibility of receivables is reviewed on an ongoing basis. Debts which are known to be uncollectible are written off. A provision for doubtful receivables is established when there is objective evidence that the Fund will not be able to collect all amounts due according to the original terms of receivables. Cash flows relating to short-term receivables are not discounted if the effect of discounting is immaterial. The amount of the provision is recognised in the income statement.

(g) ACQUISITION OF ASSETS

The purchase method of accounting is used for all acquisitions of assets regardless of whether equity instruments or other assets are acquired. Cost is measured as the fair value of the assets given up, units issued or liabilities undertaken at the date of acquisition plus incidental costs directly attributable to the acquisition. Where equity instruments are issued in an acquisition, the value of the instruments is their market price as at the acquisition date. Transaction costs arising on the issue of equity instruments are recognised directly in equity.

(h) INVESTMENTS- ASSOCIATES

Associates are those entities over which the Fund has significant influence, but not control, over the financial and operating policies. The Financial Report includes the Funds share of the total recognised gains and losses of associates on an equity accounted basis, from the date that significant influence commences until the date that significant influence ceases. If the Funds share of losses exceeds its interest in an associate, the Funds carrying amount is reduced to nil and recognition of further losses is discontinued except to the extent that the Fund has incurred legal or constructive obligations or made payments on behalf of the associate.

(i) TRADE AND OTHER PAYABLES

These amounts represent liabilities for goods and services provided to the Fund prior to the end of the period which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition.

(j) BORROWINGS AND BORROWING COSTS

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the income statement over the period of the borrowings using the effective interest rate method. Borrowings are classified as current liabilities unless the Fund has an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date. Borrowing costs incurred for construction of any qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for intended use or sale. Other borrowing costs are expensed.

(k) CAPITAL CONTRIBUTED

Ordinary units are classified as debt, and recorded as a non current liability. Increment costs directly attributable to the issue of new units are shown in non current liabilities as a deduction from the proceeds.

(l) DISTRIBUTIONS

Given the classification of the Funds capital as debt, distributions are recorded as a borrowing cost in the income statement. Provision is made for the amount of any distribution declared, being appropriately authorised and no longer at the discretion of the Fund, on or before the end of the period but not distributed at balance date.

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF QUANTUM PROPERTY TRUST NO. 9

Report on the Financial Report

We have audited the accompanying financial report of Quantum Property Trust No. 9, a managed investment scheme, which comprises the balance sheet as at 30 June 2007, the income statement, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the responsible entity, DaVinci Funds Management Limited are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Act 2001*. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These auditing standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

Liability limited by the Accountants Scheme, approved under the Professional Standards Act 1994 (NSW)

INDEPENDENT AUDIT REPORT

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*.

Auditor's Opinion

In our opinion the financial report of Quantum Property Trust No. 9 is in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the registered scheme's financial position as at 30 June 2007 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*.
