Dear Mr. Evans,

**REQUEST FOR TRADING HALT
MMTO – 28th FEBRUARY, 2008 OPTIONS**

The information release to NSX of 15th February, 2008, directed the attention of Directors to the necessity to quickly communicate to each holder of the above Options, on a personal basis, and in effect in the same mailing envelope as would carry (by post) the Notice that the Options were falling due.

Directors seek to provide holders of these above Options with a mechanism to choose to exercise on the due date, or alternately, to defer that decision until the 29th August, 2008.

To assist in this process, Directors of the Company herewith request a short suspension of trading in these 28th February, 2008 Options (only) – Code MMTOA – pursuant to NSX Listing Rule 2.19. In the making of this alternative, Directors do believe they act in the interests of shareholders and Option holders as a whole.

The letter for inclusion with correspondence to each Option holder will be provided shortly to the NSX, so as to be a general market announcement.

Yours sincerely,

Melanie Leydin
Company Secretary
