5 August 2008

Dear Property Fox A Class Shareholder

Letter from the Chairman of Pritchard Equity

Pritchard Equity is pleased to make you an Offer to acquire all of your Property Fox A Class Shares and to invite you to become shareholders of Pritchard Equity.

The Offer provides you with the opportunity to take a direct holding in Pritchard Equity and at the same time to continue to have an indirect interest in Property Fox's assets which, when combined with those of Pritchard Equity, will create a stronger and more diversified organisation.

Under the Offer, Property Fox A Class Shareholders will receive 1,500 PEQ A Ordinary Shares, 500 PEQ B Ordinary Shares and 68 PEQ Preferred Income Securities per 20,000 Property Fox A Class Shares.

The implied value of the Offer is 45 cents per Property Fox A Class Share, which represents a 25.8% premium to the VWAP of Property Fox A Class Shares traded on NSX during the year ended 30 June 2008 (excluding Property Fox A Class Shares bought back by Property Fox). Please refer to section 1.9 of the Bidder's Statement for details regarding the calculation of the implied value of the Offer.

Pritchard Equity's aim is to achieve above average returns for its shareholders over the medium to long term by developing a focused portfolio of significant stakes in companies which it believes offer good prospects of growth over time. The historical results of Pritchard Equity indicate that under the stewardship of its current directors, it is moving towards achieving this aim.

Pritchard Equity's board believes that, by the application of their management skills and investment philosophies, they will be able to turn around the poor performance of Property Fox, to deliver maximum shareholder value for all shareholders in the longer term.

Upon completion of the Offer, a strategic review of the assets and the operating structure of Property Fox will be undertaken. As a result of this review, it is expected that a strategy will be developed on how to realise the maximum value from Property Fox's underperforming assets and achieve cost savings.

On behalf of Pritchard Equity, I strongly encourage you to accept our attractive Offer, which is scheduled to close on [●] 2008 unless extended. I also encourage you to read carefully the details of our Offer in this Bidder's Statement. To accept the Offer, please follow the instructions on your accompanying personalised Acceptance Form and How to Accept the Offer section of this Bidder's Statement.

Detailed reasons why you should accept

The Offer provides an attractive premium for Property Fox A Class Shareholders

The Offer represents an attractive takeover premium of 25.8%.

The Pritchard Equity Board believes that this is a favourable takeover premium for Property Fox A Class Shareholders, given the outlook for property markets and interest rates.

The takeover premium calculations are summarised in Chart 1 and Tables 2 and 3.

Chart 1: Implied takeover premium

Pritchard Equity considers that the volume weighted average price (VWAP) of Property Fox A Class Shares for the year to 30 June 2008, excluding the Property Fox A Class Shares bought back by Property Fox, represents the best estimate of the market value of Property Fox A Class Shares. The transactions in Property Fox A Class Shares for the year to 30 June 2008 are set out in Table 3.

Table 2: Implied takeover premium

³ The value of the PEQ Preferred Income Securities takes into account the preferential cumulative dividend of \$10 per annum as well as the \$100 payment holders of PEQ Preferred Income Securities will receive per security ahead of payment to the holders of ordinary shares on a winding up of the Company. The PEQ Preferred Income Securities are quoted on the NSX but there has been no trading to date.

⁴ Based on the VWAP of Property Fox A Class Shares traded on NSX during the year ended 30 June 2008 (excluding shares bought back by Property Fox).

As noted above, the value of PEQ A Ordinary Shares and PEQ B Ordinary Shares is based on the last traded price for these securities. The VWAP was not considered by the Pritchard Equity directors to be the best measure of value in circumstances where the shares were last traded on 24 April 2007. Refer to Section 1.8 of this Bidder's Statement. As PEQ Preferred Income Securities are newly admitted to the NSX and have not traded their value is based as set out in Note 3 to Table 2 above.

The VWAP of Property Fox A Class Shares traded on NSX for the year ended 30 June 2008, excluding the Property Fox A Class Shares bought back by Property Fox, is 35.76 cents.

Property Fox paid an average price of 45.92 cents per share to buy back 486,999 Property Fox A Class Shares. This is a premium of 28.41% to the VWAP of other sales.

Pritchard Equity believes that Property Fox has paid more than fair market value for the Property Fox A Class Shares it bought back, and that the price of the Property Fox A Class Shares has been inflated by the support given by the buy back. Please refer to section 2.4 for further details in relation to the buy-back.

There is currently only one bid for Property Fox A Class Shares registered on NSX. The quoted bid is 26 cents per share.

Pritchard Equity shares have proven to be an attractive investment

Pritchard Equity has delivered substantial value to its shareholders. An investment of \$20,000 in Pritchard Equity at the time of the initial public offer in 2006 currently has a market value of \$24,200, an increase of 21% (based on the prices at which PEQ A Ordinary Shares and PEQ B Ordinary Shares last traded on ASX on 24 April 2007). The investment has a net tangible asset value of \$29,600, an increase of 48% based on the 31 December 2007 reviewed financial statements.

Property Fox A Class Shares have proven to be a very poor investment

A Property Fox A Class Shareholder who invested \$20,000 in Property Fox at the time of the initial public offer in 2002 has seen the value of their investment depreciate by \$12,847, or 64%, based on the VWAP of Property Fox A Class Shares for the year ended 30 June 2008 (excluding the Property Fox A Class Shares bought back by Property Fox).

Property Fox has made an unsecured interest free loan to an associate of Peter Spann without shareholder approval

Property Fox No. 1 Limited and Controlled Entities Financial Report for the year ended 30 June 2004 indicates that at some stage during the year, Property Fox provided a loan of \$135,000 to Freeman Property Fox Property Pty. Limited, a company controlled by Peter Spann. The loan was unsecured and interest free.

Property Fox No. 1 Limited 2005 Annual Report indicates that, during the course of the year, the terms of the loan appear to have changed, and the loan then carried interest at the aggregate of the base rate on the first drawdown date plus a margin of 1.5% per annum, but not exceeding 6.5% per annum.

Property Fox No. 1 Limited Annual Report 2007 indicates that the loan was repaid at some stage during the year.

Pritchard Equity finds it difficult to see how the making of an unsecured interest free or low interest loan to Freeman Fox Property Pty. Limited was in the best interests of Property Fox or brought any benefit to Property Fox.

PEQ Preferred Income Securities have a cumulative preferential dividend of \$10 per share per annum

In December 2003 Property Fox A Class Shareholders received a dividend of 5.5 cents per share. This is the only dividend which Property Fox has paid since its establishment. As dividends may only be paid by a company out of profits and given Property Fox's loss making history it appears unlikely that any dividend will be paid in the near future.

A Property Fox A Class Shareholder who accepts Pritchard Equity's Offer will, in addition to receiving PEQ A Ordinary Shares and PEQ B Ordinary Shares, receive PEQ Preferred Income

Securities that entitle the holder to a cumulative preferential dividend of \$10 per annum, inclusive of franking credits.

Pritchard Equity will add value to Property Fox

Pritchard Equity believes that it can bring substantial value to Property Fox through its financial skills.

The Pritchard Equity board have aggregated between them decades of experience across all aspects of investment and legal, financial and strategic advisory work. This experience has been gained during periods of economic downturn as well as periods of financial prosperity.

Pritchard Equity will actively pursue further investment opportunities

Pritchard Equity will continue to identify and acquire investments which it believes can add value to the Company.

Pritchard Equity ordinary shareholders will share in the value that Pritchard Equity is able to create by applying the skills and expertise of its Board to a diversified portfolio of assets and investments.

Exposure to Pritchard Equity's diverse investment portfolio

By accepting the Offer, you will become a shareholder in a company with a solid investment portfolio which enjoys exposure to a number of investment projects.

Based on existing cash reserves, the Merged Entity is expected to have access to cash reserves in excess of \$1.8m and may have greater capacity to raise new capital, as required, for further value creation opportunities. The aim is to ensure that the management of the Merged Entity is aligned with shareholder interests and focused on maximising shareholder value.

Pritchard Equity will undertake a strategic review of Property Fox's assets and operating structure following a successful completion of the Offer. As a result of this review, it is expected that a strategy will be developed on how to realise the maximum value from Property Fox's underperforming assets and achieve cost savings.

Property Fox is managed by Fox Portfolio Pty Ltd (the Manager), an entity in which Property Fox has no ownership or direct control. The Manager is owned and controlled by Peter Spann, the Managing Director of Property Fox. Pritchard Equity considers that this type of contractual arrangement creates the potential for conflicts of interest between the Manager and Property Fox A Class Shareholders.

Following successful completion of the Offer, Pritchard Equity intends to conduct a detailed review of the Management Agreement, and arrangements between the Manager and Property Fox.

Pritchard Equity directors and shareholders interests are aligned

Property Fox directors have invested a total of \$100 in Property Fox shares.

Pritchard Equity directors and their associates have a total investment in Pritchard Equity shares of \$1,078,768.

Pritchard Equity's directors believe that the most effective way to align the interests of the directors and management of a company with those of its shareholders is for the directors and management to have a significant amount of their own money invested in the company's shares.

The interests of Property Fox directors and management are not aligned in this way with the interests of Property Fox A Class Shareholders.

Pritchard Equity expects the liquidity of its shares to improve

Pritchard Equity believes that the acquisition of Property Fox will increase the liquidity of Pritchard Equity shares.

At present there is a relatively small free float of Pritchard Equity shares. This reflects the fact that the Pritchard Equity board and their associates have invested a substantial amount of their own money in Pritchard Equity shares.

If Pritchard Equity acquires 100% of the Property Fox A Class Shares, Property Fox A Class Shareholders will join current Pritchard Equity shareholders on the Pritchard Equity register, increasing the number of shareholders in Pritchard Equity from approximately 100 to approximately 300.

Pritchard Equity's Offer is the only offer available

Pritchard Equity's Offer to acquire all Property Fox A Class Shares represents the only offer currently available to Property Fox A Class Shareholders.

Pritchard Equity believes that the price of Property Fox A Class Shares is inflated as a result of Property Fox's share buy back.

There are risks in not accepting the Offer

If the conditions of the Offer are not satisfied or waived (including the minimum 66.0% acceptance condition), Pritchard Equity will not acquire Property Fox A Class Shares from any Property Fox A Class Shareholder who accepts the Offer.

If you do not accept the Offer and the Offer becomes or is declared unconditional before Pritchard Equity has received acceptances resulting in it being entitled to a relevant interest of at least 90% (by number) of Property Fox A Class Shares, then you remain a minority Property Fox A Class Shareholder. The implications of being a minority shareholder include the following:

- it is unlikely the Property Fox A Class Share price would include any takeover premium;
- the liquidity of Property Fox A Class Shares may be lower than at present, making it even more difficult for you to dispose of your Property Fox A Class Shares in the future;
- Property Fox may be de-listed from NSX, which would materially impact the liquidity of Property Fox A Class Shares; and
- Property Fox will be controlled by Pritchard Equity.

Other important considerations for Property Fox A Class Shareholders

Potential to crystallise capital losses

The Offer may allow Property Fox A Class Shareholders to crystallise capital losses arising from their investment in Property Fox.

No brokerage fee

All costs and expenses of the Offer and all brokerage or stamp duty payable in respect of a transfer of Property Fox A Class Shares for which the Offer is accepted will be paid by Pritchard Equity.

If you hold your Property Fox A Class Shares through a bank, broker or nominee which charges transaction fees or service fees in connection with your acceptance of the Offer or if you are a Foreign Property Fox A Class Shareholder, Pritchard Equity will not pay those fees.

Pritchard Equity is a strategic investment house that makes medium and long term investments in both listed and unlisted entities.

Further details in relation to Pritchard Equity are contained in Pritchard Equity's Annual Report for the year ended 30 June 2007 which was released to NSX on 16 November 2007 and is available at www.nsga.com.au and www.peq.com.au.

1.2. Current Investments

Details of Pritchard Equity's material investments are set out below

1.2.1. Cameron Stockbrokers Limited

Background

Pritchard Equity currently holds a 33.06% interest in Cameron Capital Limited (*Cameron Capital*). Cameron Capital is the owner of Cameron Stockbrokers Limited (*Cameron Stockbrokers*).

Description of business

Cameron Stockbrokers is a stockbroking firm which was established in 1994. It specialises in providing its private clients with personalised and comprehensive services in portfolio management, cash management, margin lending and superannuation. Cameron Stockbrokers is the holder of AFS Licence Number 246705 issued by ASIC, and is a participant of both ASX and NSX.

Compliance

As the holder of an AFS Licence under the Corporations Act, Cameron Stockbrokers is regulated by the Corporations Act and the rules of ASX, NSX, ACH and ASTC. The firm has a compliance program to ensure that it complies with its legal obligations and best practice standards in the giving of advice to clients and the execution of client instructions.

Broking

Cameron Stockbrokers provides advice on investing in equities and other financial products. Cameron Stockbrokers has approximately 7,717 broking clients.

Corporate finance

Cameron Stockbrokers also operates a boutique corporate advisory business. This business has been active in providing corporate advice on capital raisings, underwritings and initial public offerings.

Industry environment

The stockbroking industry is highly competitive and is becoming increasingly so, as online broking encroaches into the client full service market. Competition is intensifying as broking houses compete with non traditional participants such as banks, which can now provide execution services to clients. An increasing proportion of the Australian population hold, directly and indirectly, listed securities. This is partially offsetting the negative impact of reduced retail brokerage margins, increased competition amongst providers of broking services and the increasing costs of providing these services. Cameron Stockbrokers is constantly reviewing industry conditions with the aim of implementing measures to improve the firm's position in the market.

1.2.2. Illuminator Investment Company Limited

Background

3. PRITCHARD EQUITY'S INTENTIONS

3.1. Introduction

This section sets out the intentions of Pritchard Equity in relation to Property Fox. These intentions have been formed on the basis of facts and information concerning Property Fox, and the general business environment, which are known to Pritchard Equity at the time of preparing this Bidder's Statement. Final decisions will only be reached by Pritchard Equity in the light of material information and circumstances at the relevant time. Accordingly, the statements set out in this section of the Bidder's Statement are statements of current intention only and may vary as new information becomes available or as circumstances change.

3.2. Intentions upon acquiring 90% or more of Property Fox A Class Shares

This section sets out Pritchard Equity's intentions if, at the end of the Offer Period, Pritchard Equity holds 90% or more of the Property Fox A Class Shares and is entitled to proceed to compulsory acquisition of the Property Fox A Class Shares it does not then own, in accordance with Part 6A.1 of the Corporations Act. In these circumstances, Pritchard Equity's current intentions are set out below.

It is important to note that acquiring 90% or more of the Property Fox A Class Shares will not entitle Pritchard Equity to acquire any of the Property Fox Ordinary Shares, and these shares will continue to hold approximately 21.7 % of the voting rights in Property Fox (subject to any dilution of such rights in the future).

3.2.1. Corporate matters

(a) Compulsory acquisition of Property Fox A Class Shares

If Pritchard Equity is entitled to proceed to compulsory acquisition of any outstanding Property Fox A Class Shares in accordance with Part 6A.1 of the Corporations Act, then Pritchard Equity intends to do so.

(b) Directors

Pritchard Equity intends to replace the members of the Property Fox Board (except Howard Woolcott) with at least two nominees of Pritchard Equity.

(c) Delisting from NSX

Following compulsory acquisition of any outstanding Property Fox A Class Shares, Pritchard Equity intends to cause Property Fox to apply for delisting from NSX.

3.2.2. Three month review

Pritchard Equity intends to conduct a review of the structure of the combined businesses in the first three months following the end of the Offer Period. The basis of the review, and Pritchard Equity's current intentions in relation to each matter, are set out below.

(a) Review of Property Fox's property portfolio

Pritchard Equity intends to conduct a strategic review of Property Fox's property assets to assess the performance, profitability and prospects of these assets on an asset-by-asset basis. This will involve the appointment of an independent valuer to determine the realisable value of Property Fox's property assets.

The key objective of this review will be to determine which assets should be retained and which (if any) should be sold.

Pritchard Equity has undertaken a preliminary review of Property Fox's property assets based on publicly available information, but has not currently formed any intention in relation to particular investments, and will not do so until the completion of its review.

Pritchard Equity also intends to seek to identify business opportunities and areas of revenue generation which may provide overall strategic and operation benefits for Property Fox.

(b) Review of Management Agreement and performance of Manager

According to Property Fox's 2007 Annual Report, Property Fox does not employ any executive officers other than the directors of Property Fox. Property Fox is primarily managed under a Management Agreement (refer to section 2.2.4 above). Pritchard Equity intends to review the Management Agreement and the performance of the Manager to determine whether the Management Agreement should be modified or terminated.

(c) Office functions

Pritchard Equity intends to consolidate and rationalise corporate office functions (such as company secretarial, treasury, financial reporting, corporate affairs and information technology), at Pritchard Equity's existing office in New South Wales.

(d) Intentions in relation to current Property Fox employees

According to Property Fox's 2007 Annual Report, Property Fox does not employ any executive officers other than the directors of Property Fox. Property Fox does not appear to have any employees. Pritchard Equity will review the existing staff of both Property Fox (if any) and the Manager, and may offer roles in the Merged Entity to appropriately skilled and experienced personnel.

3.3. Intentions upon gaining 66% or more but less than 90% of Property Fox A Class Shares

If, at the end of the Offer Period, Pritchard Equity gains at least 66% but less than 90% of the Property Fox A Class Shares, Pritchard Equity will not hold sufficient Property Fox A Class Shares to proceed to compulsory acquisition of the remaining Property Fox A Class Shares. However, by virtue of the voting rights attaching to the Property Fox A Class Shares, Pritchard Equity will gain effective control of Property Fox. In these circumstances, Pritchard Equity's current intentions are set out below.

3.3.1. General Intention

In the event that Pritchard Equity obtains 66% or more but less than 90% of Property Fox A Class Shares, then as the single largest shareholder, Pritchard Equity, intends to run Property Fox as a subsidiary in accordance with Pritchard Equity's strategy as set out above, subject to regulatory requirements and minority shareholder rights.

3.3.2. Compulsory acquisition of Property Fox A Class Shares

It is possible that, even if Pritchard Equity is not entitled to proceed to compulsory acquisition of minority holdings after the end of the Offer Period under Part 6A.1 of the Corporations Act, it may subsequently become entitled to exercise rights of general compulsory acquisition under Part 6A.2 of the Corporations Act (for example, Pritchard Equity subsequently obtains a 90% relevant interest in Property Fox A Class Shares as a result of acquisitions of Property Fox A Class Shares in reliance of the '3% creep' exception in item 9 of section 611 of the Corporations Act). If Pritchard Equity becomes entitled to exercise rights of compulsory acquisition, it intends to do so.

3.3.3. Directors

Pritchard Equity intends to seek (through discussion and negotiation but, failing agreement, by convening a general meeting of Property Fox Shareholders) to replace the members of the

Property Fox Board (except Howard Woolcott) with at least two nominees of Pritchard Equity, so that there is a majority of Pritchard Equity nominees on the Property Fox Board.

3.3.4. Review of Property Fox operations and assets

If it is appropriate in the circumstances, Pritchard Equity intends, through its nominees on the Property Fox Board, to propose that Property Fox conduct the detailed reviews described in section 3.2 above and potentially act upon some or all of them.

3.3.5. Limitations on intentions

The ability of Pritchard Equity to implement the intentions set out in this section 3.3 will be subject to the legal obligation of the Property Fox Board to have regard to the interests of Property Fox and all Property Fox shareholders, and the requirements of the Corporations Act and the NSX Listing Rules relating to transactions between related parties. Pritchard Equity will only make a decision on the above mentioned courses of action after taking legal and financial advice in relation to those requirements.

3.4. Intentions if Pritchard Equity does not acquire 66% of Property Fox A Class Shares

This section sets out Pritchard Equity's intentions if the Offer closes and Pritchard Equity does not acquire 66% of Property Fox A Class Shares. A number of possibilities are open to Pritchard Equity including the following:

- (a) allowing the Offer to lapse;
- (b) waiving its 66% minimum acceptance condition;
- (c) acquiring additional Property Fox A Class Shares to the extent permitted by law; and
- (d) seeking representation on the Property Fox Board.

As at the date of the Bidder's Statement, Pritchard Equity has not formed a view as to how it is likely to proceed in those circumstances. This will depend on the level of acceptances received, and level at which the Property Fox A Class Shares trade on NSX after the offer closes. Pritchard Equity is unlikely to acquire additional shares if it considers that the prices at which the shares trade exceeds their fair value, and Pritchard Equity's view on what is fair value may change from time to time depending on a number of factors.

It may be in Pritchard Equity's interest to hold the Property Fox A Class Shares as a portfolio investment. If at any time Property Fox A Class Shares held by Pritchard Equity do not achieve an appropriate portfolio return, and Pritchard Equity forms the view that continuing to hold those Property Fox A Class Shares is not in the best interests of Pritchard Equity shareholders, it may dispose of those shares in any manner it sees fit. Further, depending on the level of its shareholding, Pritchard Equity may also seek the appointment of a representative to the Board of Property Fox. This representative is likely to be a Pritchard Equity director.

In the alternative, Pritchard Equity may decide not to hold or purchase any Property Fox A Class Shares. In those circumstances, the Offer will lapse and Pritchard Equity will not acquire any Property Fox A Class Shares under the Offer.

3.5. Other intentions

Other than as set out in sections 3.1 to 3.4, it is the present intention of Pritchard Equity following completion of the Offer:

- (a) to continue to operate the business of Property Fox;
- (b) not to make any major changes to the business of Property Fox nor to redeploy any of the fixed assets of Property Fox; and

(c) to continue the employment of Property Fox's present employees (if any).

4. EFFECT OF THE OFFER ON PRITCHARD EQUITY

4.1. Rationale for the Offer

Pritchard Equity considers that a number of significant benefits will arise from the proposed combination of Pritchard Equity and Property Fox. All shareholders, including current Pritchard Equity shareholders, will share in the anticipated benefits.

- The combination will create a stronger Merged Entity, with greater scope to enhance shareholder value. Based on existing cash reserves, the combined group is expected to have access to cash reserves and an investment portfolio of in excess of \$3.1 million and may have a greater capacity to raise new capital, as required, for further value creation opportunities.
- The combined group may benefit from a reduced risk profile resulting from the ownership of several assets.
- An enhanced management structure will be created through the combination of Pritchard Equity's skilled and experienced operational team with Property Fox's existing capabilities, as well as additional external appointments as necessary.
- Shareholders in the combined group may benefit from any cost savings as a result of rationalisation of corporate offices and the associated board and management structures.
- As discussed in section 3.2.2, Pritchard Equity intends to review all investments in Property Fox's property portfolio. Shareholders in the combined group may benefit from any rationalisation of the total number of investments held and an increased focus on core investments where Pritchard Equity can exert appropriate influence to create value for shareholders.

4.2. General effect of an acquisition on Pritchard Equity

Other than as referred to elsewhere in this Bidder's Statement, the acquisition of Property Fox is not expected to have a material effect on the existing operations of Pritchard Equity, other than through the potential benefits of combining the operations of Pritchard Equity and Property Fox and rationalising the Property Fox portfolio.

As discussed in section 3.2.2 above, Pritchard Equity intends to undertake a strategic review of Property Fox's property portfolio, with the objective of maximising shareholder value.

4.3. Financial effect of the Offer

If the Offer is accepted in respect of more than 66% of Property Fox A Class Shares, Pritchard Equity and Property Fox will be combined to form the Merged Entity. The Merged Entity Pro Forma Financial Information has been compiled under two scenarios:

- Pritchard Equity acquires the minimum acceptance level required to effect the Offer, being at least 66% of the Property Fox A Class Shares (66% acquisition).

For each of these scenarios, the Merged Entity Pro Forma Financial Information in this section includes the following:

4.3.2. Merged Entity Pro Forma Historical Financial Information

The Merged Entity Pro Forma Historical Financial Information has been based upon Pritchard Equity's and Property Fox's Historical Financial Information, pro forma adjustments to reflect the impact of the private placement of ordinary shares and bonus issues of PEQ Preferred Income Securities to Pritchard Equity ordinary shareholders on 27 May 2008 and pro forma adjustments required to present the Merged Entity on an aggregate basis (*Pro Forma Offer Adjustments*).

4.3.4. Pro Forma Pritchard Equity Adjustments underlying the Pro Forma Historical Income Statement

On 27 May 2008 Pritchard Equity made a bonus issue of 1,461 PEQ Preferred Income Securities to the holders of its ordinary shares.

Holders of PEQ Preferred Income Securities are entitled to a cumulative preferential dividend of \$10 per annum, inclusive of franking credits.

In accordance with the applicable Australian Accounting Standards, part of the dividends payable in respect of these PEQ Preferred Income Securities of \$9,957 has been treated as a finance cost.

No other adjustments have been made.

4.3.5. Pro Forma Offer Adjustments underlying the Pro Forma Historical Income Statement

The following pro forma adjustments have been made:

- Finance charges in respect of part of the dividends payable on the PEQ Preferred Income Securities issued as part of the acquisition have been included.
- Tax on the Pro Forma Offer Adjustments has been calculated using the corporate income tax rate of 30%.
- Adjustments for the minority interest's share of profit after income tax is shown in the event of a 66% acquisition.

- The impact of acquisition accounting is discussed in more detail in section 4.3.7.

For the purposes of the Pro Forma Historical Income Statement, no adjustments have been made to reflect the impact of acquisition accounting because it is not possible to accurately determine the fair value of Property Fox assets and liabilities at this time.

No adjustments have been made to the Pro Forma Historical Income Statement for the impact of any potential cost synergies or integration costs on the income statement.

4.3.6. Merged Entity Pro Forma Historical Balance Sheet

The Merged Entity Pro Forma Historical Balance sheet is compiled from the aggregation of:

- a balance sheet extracted from Pritchard Equity's Pro Forma Historical Financial Information;
- a balance sheet extracted from Property Fox's Pro Forma Historical Financial Information; and
- relevant pro forma adjustments required to present the Merged Entity on an aggregated and go forward basis as set out below.

Set out below is the Merged Pro Forma Historical Balance Sheet as at 31 December 2007 for the two scenarios. The Merged Entity Pro Forma Historical Balance Sheet is prepared on the basis that the Offer had completed on 31 December 2007. 4.3.7. Pro forma adjustments relating to the impact of acquisition accounting

Accounting Standard AASB 3 Business Combinations requires Pritchard Equity to measure the cost of the Offer at the aggregate of the fair value of assets, liabilities and equity issued by Pritchard Equity in exchange for control of Property Fox at the date on which the exchange occurs.

The Pritchard Equity securities to be issued are the cost of the acquisition. In accordance with accounting standards, the Pritchard Equity securities (other than the PEQ Preferred Income Securities) have been valued at their market prices.

4.4. Effect on Capital Structure

The table below sets out:

- the current number and class of securities issued by Pritchard Equity;
- the number and class of securities to be issued by Pritchard Equity in the event that it receives acceptances for 100% of Property Fox A Class Shares; and
- the number and class of securities to be issued by Pritchard Equity in the event that it receives acceptances for 66% of Property Fox A Class Shares.

	PEQA	PEQB	PEQPA	PEQOA	PEQOB	PEQOC
Number currently issued	620,608	831,378	1,461	679,358	339,679	339,679
Number to be issued if 100% acceptance	338,475	112,825	15,344	-	-	-
Number to be issued if 66% acceptance	223,394	74,465	10,128	-	-	-

4.5. Dividend Policy

Pritchard Equity has not paid any dividends to date. Following the acquisition of Property Fox, Pritchard Equity will, in conjunction with its review of Property Fox assets, consider its future dividend policy. In general terms, Pritchard Equity's dividend policy is likely to be one which will pay dividends from operating earnings to the extent that this does not prejudice its growth opportunities. Dividends will be franked to the extent that available imputation credits permit.

The PEQ Preferred Income Securities confer on holders a right to receive a cumulative preferential dividend of \$10 per annum (inclusive of any franking credits that would accrue to an Australian resident shareholder in respect of that dividend), accruing at the rate of \$5 for each 6 month period (or part of such period) ending on 30 June and 31 December each year during which the securities are on issue. Holders of PEQ Preferred Income Securities receive a fixed preference dividend and any arrears of dividends ranks ahead of the dividend rights of holders of PEQ A Ordinary Shares and PEQ B Ordinary Shares, as and when profits permit.

5. RISKS

5.1. Introduction

Property Fox A Class Shareholders who accept the Offer will receive PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities as consideration and will be exposed to the same risk factors and other investment considerations as existing holders of PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities.

The price of PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities and the future performance of Pritchard Equity and, accordingly, the value of the Offer to Property Fox A Class Shareholders, will depend upon a range of factors and risks. Whilst some of these risks can be mitigated by the use of safeguards and appropriate systems and actions, some are outside the control of Pritchard Equity and cannot be mitigated. The principal risks include, but are not limited to, those described below. Pritchard Equity does not give any form of guarantee of future dividends, return of capital, or the price at which the PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities might trade in the future on NSX.

Property Fox A Class Shareholders should consider these risk factors, as well as other information in this Bidder's Statement, in making their decision to accept the Offer.

5.2. Specific business risks

5.2.1. Reliance on key personnel

Pritchard Equity relies on a number of key personnel, in particular Steven Pritchard. The loss of any key employees, in particular Steven Pritchard, may have a detrimental effect on the Company.

Illuminator Investment Company Limited (*Illuminator*) (which is 16% owned by Pritchard Equity) also relies on a number of key personnel to make investment decisions, in particular Steven Pritchard and Daniel Di Stefano. The loss of any key employees may have a detrimental effect on the company.

Further, the loss of key staff members of Cameron Stockbrokers (which is 33.06% owned (indirectly) by Pritchard Equity) could result in that company losing valuable client relationships and transaction execution skills.

5.2.2. Market price of investments

The Company directly and indirectly owns or has an interest in shares in a number of listed companies. The market price of these shares may fall as well as rise.

5.2.3. Concentration of investments

The portfolios of investments held by the Company, Henley Underwriting & Investment Company Pty Limited (which is 100% owned by Pritchard Equity) and Illuminator are less diversified than those of many other listed investment companies.

These companies may be unable to identify other suitable companies in which to invest.

5.2.4. Regulatory requirements

The stockbroking industry is regulated by the Corporations Act, and the ASIC, ASX and NSX operating rules. Cameron Stockbrokers is required to hold certain licences and memberships to be able to conduct its business. If Cameron Stockbrokers or its advisers were to breach the requirements of the relevant regulations or licences, the company's ability to conduct its business could be threatened.

The ability of Pritchard & Partners Pty Ltd (*Pritchard & Partners*) to manage Illuminator's portfolio of investments is dependent on the maintenance of Pritchard & Partners' AFS Licence. Maintenance of the AFS Licence depends, among other things, on Pritchard & Partners continuing to comply with the licence conditions and the Corporations Act.

5.2.5. Remuneration of Pritchard & Partners

Pritchard & Partners' remuneration for managing Illuminator's portfolio is based partially on performance, which may create an incentive for Pritchard & Partners to make investments on behalf of Illuminator that are riskier or more speculative than would be the case if the fee were not based on the performance of Illuminator.

5.2.6. Failure of computer systems and other services

Cameron Stockbrokers is dependent on the ongoing efficient operation of its information and accounting computer system. A major hardware or software failure could create delays in processing daily transactions, resulting in abnormal costs if the problem cannot be addressed quickly.

Cameron Stockbrokers relies on ASX to continue to supply and operate efficiently the ITS and CHESS services to enable it to execute orders and settle share trade transactions. A failure of either or both of these services could detrimentally affect the business conducted by Cameron Stockbrokers.

5.3. Transaction specific risks

5.3.1. Issue of PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities as consideration

Under the Offer, Pritchard Equity will issue new PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities. Some Property Fox A Class Shareholders may not intend to continue to hold their PEQ A Ordinary Shares, PEQ B Ordinary Shares or PEQ Preferred Income Securities and may wish to sell them on NSX. If a significant number of Property Fox A Class Shareholders seek to sell their PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities, this may adversely impact the price of PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities.

The PEQ B Ordinary Shares entitle the holder to vote at general meetings of Pritchard Equity. However, neither the PEQ A Ordinary Shares nor the PEQ Preferred Income Securities entitle the holder to any voting rights at general meetings of Pritchard Equity and therefore, holders of these shares do not have the ability to influence the business or other decisions of Pritchard Equity.

While the PEQ Preferred Income Securities are entitled to a preferential dividend as described in Annexure 4, part 2, there is no guarantee that either the PEQ A Ordinary Shares, PEQ B Ordinary Shares or the PEQ Preferred Income Securities will provide any return in the event that Pritchard Equity does not make any profits.

5.3.2. Integration

Pritchard Equity expects that value can be added for shareholders of the Merged Entity by the efficient integration of the businesses. If Pritchard Equity is unable to acquire 100% of Property Fox A Class Shares under the Offer, it may not achieve all of the potential benefits referred to in this Bidder's Statement.

5.3.3. Property Fox assets

Pritchard Equity may not be able to dispose of one or more of Property Fox's property investments acquired as a result of the Offer, when desired, or for full value. As a consequence, the apparent value of an investment may not be realised.

5.4. General economic and market risks

5.4.1. Sharemarket considerations

PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities are listed on NSX, where their prices may rise or fall from day to day. PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities carry no guarantee in respect of profitability, dividends, return of capital or the price at which they may trade on NSX. The value of PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities may be determined by the stock market and will be subject to a range of factors, many of which are beyond the control of Pritchard Equity.

The performance of companies in which Pritchard Equity has a direct or indirect interest may also be adversely affected by general share market conditions.

5.4.2. Economic and other considerations

The future earnings of Pritchard Equity and the value of its investments may be materially affected by the general economic climate and other factors beyond the control of the Company, including, but not limited to, variations in legislation and government policies, taxation laws, exchange rates and short and long term interest rates.

6. AUSTRALIAN TAX CONSIDERATIONS

6.1. General

The following is a summary of the principal Australian tax consequences generally applicable to Property Fox A Class Shareholders who dispose of their Property Fox A Class Shares under the Offer and who hold their securities on capital account for the purposes of investment.

This summary reflects the current provisions of the Income Tax Assessment Act 1936 (Cth) and the Income Tax Assessment Act 1997 (Cth) and the regulations made under those Acts, taking into account currently proposed amendments and Pritchard Equity's understanding of the current administrative practices of the Australian Taxation Office. The outline does not otherwise take into account or anticipate changes in the law, either by way of judicial decision or legislative action, nor does it take into account tax legislation of countries other than from Australia.

The following outline is not exhaustive of all Australian income tax considerations that could apply to particular Property Fox A Class Shareholders. In particular, the outline does not apply to Property Fox A Class Shareholders who:

- hold their securities on revenue account or as trading stock;
- acquired their securities pursuant to an employee share or option plan;
- are a bank, insurance company, tax exempt organisation or superannuation fund that is subject to special tax rules
- are non-resident shareholders that hold their securities as an asset of a permanent establishment in Australia.

The outline below is general in nature and does not constitute taxation advice and should not be relied upon as such. Given the general nature of the outline, each person is advised to consult with their own tax adviser regarding the consequences of acquiring, holding or disposing of Property Fox A Class Shares in light of current tax laws and their particular investment circumstances.

6.2. Australian-resident Property Fox A Class Shareholders

Capital Gains Tax (CGT)

If the Offer is accepted, the disposal of the Property Fox A Class Shares will be a CGT event for Property Fox A Class Shareholders. The time of the CGT event will be the time at which the Property Fox A Class Shareholders enter into a contract to dispose of their Property Fox A Class Shares or when the Property Fox A Class Shares are compulsorily acquired.

In summary, the consequences of the CGT event that takes place in respect of the Property Fox A Class Shares are as follows:

- (a) A capital gain (or capital loss) arising to a Property Fox A Class Shareholder is determined as the capital proceeds received less the CGT cost base (or reduced cost base) of the Property Fox A Class Shares.
- (b) The capital proceeds for the disposal of the Property Fox A Class Shares will equal the market value of the PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities that are received by the Property Fox A Class Shareholders, worked out at the time of the CGT event. The CGT cost base of the Property Fox A Class Shares will generally include the actual (or deemed) cost of acquisition plus incidental costs associated with the acquisition and disposal of the shares.

- (c) Any capital gain made (after offsetting any capital losses) will be included in the Property Fox A Class Shareholder's assessable income. A capital loss that arises on the disposal of the Property Fox A Class Shares can generally be offset against any other capital gains that arise in the same year. Any unutilised capital losses can generally be carried forward and offset against capital gains in future years, subject to satisfying the relevant loss utilisation rules.
- (d) For certain Property Fox A Class Shareholders (for example individuals, complying superannuation funds and trustee of a trust) a discount may apply to the amount of a capital gain that arises on the disposal of the Property Fox A Class Shares. The CGT discount will only apply if the Property Fox A Class Shares have been held for more than 12 months before the date on which the CGT event occurs pursuant to the acceptance of the Offer. In summary, the CGT discount is applied after offsetting any available capital losses. For example, the discount rate is 50% for individuals and trustees and 33⅓% for complying superannuation funds. The application of the CGT discount rules to Property Fox A Class Shareholders that are trustees of a trust are complex and such shareholders should seek their own advice based on their particular circumstances. The CGT discount is not available to a Property Fox A Class Shareholder that is a company.
- (e) Scrip for scrip roll-over relief, which would allow a Property Fox A Class Shareholder to defer the making of a capital gain on the disposal of their Property Fox A Shares, will not be available as the Company will not become, because of the Offer, the owner of at least 80% of the voting shares in Property Fox.

6.3. Non-resident Property Fox A Class Shareholders

- (a) Where a non-resident holds Property Fox A Class Shares on capital account and the Property Fox A Class Shares have not been used at any time in carrying on business through a permanent establishment in Australia, the disposal of the Property Fox A Class Shares will not be subject to Australian CGT unless:
 - (i) the assets of Property Fox (directly or indirectly) consist principally of 'real property' situated in Australia (i.e more than 50% of the value of Property Fox is represented by Australian 'real property'); and
 - (ii) the non-resident Shareholder holds a direct interest in Property Fox (together with associates) of more than 10% at the time of the sale, or throughout a 12 month period that began within two years of the time of the sale.
- (f) Therefore, if the assets of Property Fox consist principally of real property (as defined), a non-resident Property Fox A Class Shareholder will generally not have to pay Australian tax on any capital gain that arises on the disposal of the Property Fox A Class Shares unless they (together with associates) hold or have held at least 10% of the issued shares in Property Fox at the time of the disposal of the Property Fox A Class Shares or throughout a 12 month period that began within two years of the disposal.
- (g) Scrip for Scrip roll-over relief will not be available to the non-resident Property Fox A Class Shareholders (see 6.2(e) above).
- (h) Non-resident Property Fox A Class Shareholders that may be subject to Australian tax on any capital gain that arises on the disposal of the Property Fox A Class Shares within the rules described above are advised to seek their own advice relevant to their own circumstances.
- (i) Where the non-resident Property Fox A Class Shareholders is a resident of a country with which Australia has concluded a double tax treaty, the non-resident Property Fox A Class Shareholder who has made a capital gain from the disposal of their Property

Fox A Class Shares may be entitled to relief from Australian tax pursuant to the terms of the treaty. If treaty relief is not available, the Property Fox A Class Shareholder may be eligible for the CGT discount as described above for Australian resident Property Fox A Class Shareholders.

- (j) Non-resident Property Fox A Class Shareholders should seek their own taxation advice as to the taxation implications of the Offer in their country of residence.

6.4. Stamp duty

Any stamp duty payable on the transfer of Property Fox A Class Shares to Pritchard Equity pursuant to the Offer will be paid by Pritchard Equity.

6.5. GST

Dealings in securities are not subject to GST. Property Fox A Class Shareholders will not, therefore, be liable for (or required to pay) GST on the receipt of PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities as part of the Offer.

6.6. Other Issues

Property Fox A Class Shareholders would have been invited to provide Property Fox with their Tax File Number ("**TFN**") or Australian Business Number ("**ABN**") when they first acquired their Property Fox A Class Shares. If no TFN or ABN was quoted, Property Fox would have deducted tax from the unfranked portion of dividends paid at the highest marginal rate of tax (plus Medicare Levy).

Specific provisions of the *Privacy Act 1988* and the *Taxation Administration Act 1953* prevent Property Fox from disclosing the TFNs of Property Fox A Class Shareholders to third parties. Accordingly, Property Fox will be unable to disclose the TFNs of Property Fox A Class Shareholders to the Company without their consent.

If the Offer is accepted, Property Fox A Class Shareholders will be sent a form that the shareholder can use to provide their TFN or ABN or exemption. Property Fox A Class Shareholders are not obliged to provide their TFN or ABN. However, if a Property Fox A Class Shareholder does not provide their TFN or ABN or exemption, tax may be withheld at a rate of 46.5% on any unfranked dividends paid by the Company. However, Property Fox A Class Shareholders will be entitled to claim an income tax credit/refund (as applicable) in respect of the tax withheld, in their income tax returns.

7. ADDITIONAL INFORMATION

7.1. ASIC modifications and exemptions

7.1.1. Class Orders

ASIC has published various "Class Order" instruments providing for modifications and exemptions that apply generally to all persons, including Pritchard Equity, in relation to the operation of Chapter 6 of the Corporations Act. Pritchard Equity may rely on this class order relief.

Pritchard Equity has relied on the modification to section 636(3) of the Act set out in paragraph 11 of ASIC Class Order 01/1543 "Takeover Bids" to enable it to include references to certain statements by Property Fox and other persons in this Bidder's Statement without obtaining the consent of Property Fox or those other persons.

As required by Class Order 01/1543, Pritchard Equity will make available a copy of any of these documents (or of relevant extracts from these documents), free of charge, to Property Fox A Class Shareholders who request them before the end of the Offer Period. To obtain a copy of these documents (or the relevant extracts), Property Fox A Class Shareholders may telephone the Offer Information Line on 1800 134 234 (callers in Australia) or +61 2 4920 2877 (callers outside Australia).

In relation to the offer of PEQ Preferred Income Securities, Pritchard Equity has relied on the exemption from section 710 of the Act set out in ASIC Class Order 00/0195 in relation to an offer of convertible notes or convertible preference shares on the conversion of which the holder will be issued with continuously quoted securities, and on this basis this Offer contains information in compliance with section 713 of the Act (for a transaction specific prospectus).

To the maximum extent permitted by law, each of the persons expressly disclaims and takes no responsibility for any part of this Bidder's Statement, other than a reference to their name and, in the case of a person referred to above as having given their consent to the inclusion of a statement, any statement which has been included in this Bidder's Statement with the consent of that person.

7.6. Date for determining holders

For the purposes of section 633(2) of the Corporations Act, the date for determining the persons to whom information is to be sent under items 6 and 12 of section 633(1) of the Corporations Act for the Offer is the Register Date.

7.7. Foreign Property Fox A Class Shareholders

Property Fox A Class Shareholders who are Foreign Property Fox A Class Shareholders will not be entitled to receive PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities as part of the consideration for their Property Fox pursuant to the Offer, unless Pritchard Equity otherwise determines.

For the purposes of the Offer, if the address of a Property Fox A Class shareholder as shown in the register of members of Property Fox is in a jurisdiction other than Australia or its external Territories or New Zealand, the shareholder is a Foreign Property Fox A Class Shareholder. However, if Pritchard Equity is satisfied that it is not unlawful, not unduly onerous and not unduly impracticable to make the Offer to that person in the relevant jurisdiction and to issue PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities to that person on acceptance of the Offer, it will make the Offer and issue PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities accordingly. Notwithstanding anything else contained in this Bidder's Statement, Pritchard Equity is not under any obligation to spend any money, or undertake any action, in order to satisfy itself about any of these matters.

Any PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities which would otherwise have been issued to Foreign Property Fox A Class Shareholders under a connection with the offer will be issued to a nominee approved by ASIC, who will sell those PEQ A Ordinary Shares, PEQ B Ordinary Shares and PEQ Preferred Income Securities. The net proceeds of the sale of such shares after the deduction of applicable costs will then be remitted to the relevant person.

RIGHTS AND LIABILITIES ATTACHING TO PEQ A ORDINARY SHARES, PEQ B ORDINARY SHARES AND PEQ PREFERRED INCOME SECURITIES

Part 1 – PEQ A Ordinary Shares and PEQ B Ordinary Shares

The following is a summary of the principal rights and liabilities attaching to PEQ A Ordinary Shares and PEQ B Ordinary Shares as set out in the Pritchard Equity Constitution and under the Corporations Act:

- (a) **Issue of Shares** – The power to issue PEQ A Ordinary Shares, PEQ B Ordinary Shares and other securities in the capital of Pritchard Equity lies with the board of Pritchard Equity, subject to the restrictions contained in the Constitution, the Listing Rules and the Corporations Act.
- (b) **Voting** – The PEQ A Ordinary Shares do not confer on the holders of those shares any right to vote at general meetings of the Company. The PEQ B Ordinary Shares confer on the holders of those shares the right to vote at general meetings of the Company. Subject to the Constitution and the NSX Listing Rules, on a show of hands every holder of PEQ B Ordinary Shares present in person or by proxy or attorney or representative will have 1 vote and on a poll every holder of PEQ B Ordinary Shares present in person or by proxy, attorney or representative will have 1 vote for each PEQ B Ordinary Share held by that shareholder.
- (c) **Meetings and Notice** – Each holder of PEQ A Ordinary Shares or PEQ B Ordinary Shares is entitled to receive notices of, and to attend, general meetings of Pritchard Equity and to receive all notices, accounts and other documents required to be sent to shareholders under the Constitution, the Corporations Act and the Listing Rules. A Pritchard Equity director may call a meeting of shareholders and shareholders may also requisition or convene general meetings in accordance with the procedures for shareholder-initiated meetings set out in the Corporations Act. Holders of PEQ A Ordinary Shares and PEQ B Ordinary Shares must be given at least 28 days written notice of any general meeting unless otherwise permitted by the Corporations Act.
- (d) **Dividends** – Dividends are payable upon the determination of the directors of Pritchard Equity. Pritchard Equity will not pay interest on dividends. The PEQ A Ordinary Shares and PEQ B Ordinary Shares rank equally in respect of dividends.
- (e) **Transfer of Shares** – A holder of PEQ A Ordinary Shares or PEQ B Ordinary Shares may transfer these shares by a market transfer in accordance with the electronic share registration and transfer system conducted in accordance with the ASTC Settlement Rules and approved by the Pritchard Equity directors, or by an instrument in writing in the usual or common form or in any other form prescribed or approved by the Pritchard Equity directors. Where permitted or required by the Listing Rules, the Pritchard Equity directors may refuse to register any transfer of PEQ A Ordinary Shares or PEQ B Ordinary Shares.
- (f) **Rights on Winding Up** – If in a winding up there remain any assets available for distribution to shareholders, then subject to the rights of the holders of shares issued upon special terms and conditions (at the date of this Bidder's Statement, the PEQ Preferred Income Securities), the Constitution, the Corporations Act and the NSX Listing Rules, those assets will be distributed amongst the shareholders in returning capital paid up on their shares and distributing any surplus in proportion to the amount paid up (not credited) on the shares held by them. If the Company is wound up, the liquidator may, with the sanction of a special resolution of the Pritchard Equity shareholders, divide among the contributories in specie or in

kind any part of the Company's assets and may vest any part of the assets of the Company in trustees upon such trust for the benefit of the contributories or any of them as the liquidator thinks fit. The liquidator may set such values as it considers fair and reasonable on any property to be divided and may determine how the division is to be carried out. The PEQ A Ordinary Shares and PEQ B Ordinary Shares rank equally on a winding up of Pritchard Equity.

- (g) **Variation of Rights** – Subject to the Corporations Act and the Listing Rules, all or any of the rights and privileges attached to any class of shares (unless otherwise provided by the terms of issue of the shares of that class) may be varied or cancelled by a special resolution passed at a meeting of the holders of shares in that class or with the written consent of the holders of at least 75% of issued shares in that class.
- (h) **Unmarketable Parcels** – If a holder of PEQ A Ordinary Shares or PEQ B Ordinary Shares holds a number of PEQ A Ordinary Shares or PEQ B Ordinary Shares that is less than a marketable parcel (as defined in the NSX Listing Rules), Pritchard Equity may sell or dispose of such shares unless otherwise instructed by the holder of the PEQ A Ordinary Shares or PEQ B Ordinary Shares. The net proceeds from the sale will be paid to the holder of the PEQ A Ordinary Shares or PEQ B Ordinary Shares.

Part 2 – PEQ Preferred Income Securities

The following is a summary of the principal rights and liabilities attaching to PEQ Preferred Income Securities as set out in the Pritchard Equity Constitution and under the Corporations Act:

- (a) **Issue of PEQ Preferred Income Securities** – The power to issue PEQ Preferred Income Securities and other securities in the capital of Pritchard Equity lies with the board of Pritchard Equity, subject to the restrictions contained in the Constitution, the NSX Listing Rules and the Corporations Act. The Company may issue further convertible redeemable preference shares ranking equally with or behind PEQ Preferred Income Securities as to both payment of dividends and repayment of capital on a winding up.
- (b) **Voting** – All PEQ Preferred Income Securities issued by the Company confer on the holders of those shares the right to vote at general meetings in each of the following circumstances and in no others:
 - during a period during which a dividend (or part of a dividend) for the shares is in arrears;
 - on a proposal to reduce the Company's share capital;
 - on a resolution to approve the terms of a buy-back agreement;
 - on a proposal that affects rights attached to the shares;
 - on a proposal to wind up the Company;
 - on a proposal for the disposal of the whole of the Company's property, business and undertaking; and
 - during the winding up of the Company.
- (c) **Meetings and Notice** – The same rights as holders of ordinary shares to receive notices, reports and accounts and to attend general meetings of the Company.
- (d) **Dividends** – The right to receive a cumulative preferential dividend of \$10 per annum (inclusive of any franking credits that would accrue to an Australian resident shareholder in respect of that dividend) accruing at the rate of \$5 for each 6 month period (or part of such

period) ending on 30 June and 31 December of each year during which the securities are on issue. The Directors will fix and announce the record date for determining entitlements to receive accrued dividend entitlements following the end of the relevant period.

- (e) **Transfer of Shares** – The same rights as holders of PEQ A Ordinary Shares and PEQ B Ordinary Shares (refer above).
- (f) **Rights on Winding Up** – The right in a winding up of the Company or on a reduction of capital to receive \$100 for each PEQPA Share ahead of any payment to the holders of ordinary shares, but no other right to participate in surplus assets.
- (g) **Variation of Rights** – The same rights as holders of PEQ A Ordinary Shares and PEQ B Ordinary Shares (refer above).
- (h) **Unmarketable Parcels** – The same rights as holders of PEQ A Ordinary Shares and PEQ B Ordinary Shares (refer above).
- (i) **Conversion into PEQ A Ordinary Shares** – Holders of PEQ Preferred Income Securities have the right to convert their holding of securities into PEQ A Ordinary Shares on 30 November 2013 or on 30 November of any subsequent year by giving written notice to the Company on or before 15 November of the year in which the conversion is to take place. The Company may convert PEQ Preferred Income Securities into PEQ A Ordinary Shares at any time by giving 60 days written notice to holders of PEQ Preferred Income Securities of the date on which the conversion is to take place. Where PEQ Preferred Income Securities are converted into PEQ A Ordinary Shares at the instance of either the holder of the securities or the Company, a holding of m PEQ Preferred Income Securities will be converted into a corresponding holding of $n = m \times 100 \times e / (a - i)$ PEQ A Ordinary Shares, where e is the total number of issued ordinary shares shown in the last audited accounts, a is the consolidated net assets of the group shown in the last audited accounts, expressed in dollars, and i is the book value of any minority equity interest shown in the last audited accounts, also expressed in dollars.
- (j) **Redemption of PEQ Preferred Income Securities** – Subject to the Corporations Act and the NSX Listing Rules, the Company may redeem PEQ Preferred Income Securities at \$100 per security on 31 December 2013 or on 31 December of any subsequent year by giving three months written notice to holders of PEQ Preferred Income Securities of its intention to redeem the PEQ Preferred Income Securities.
