Dear Sir

Request for trading halt

EBS advises that it has today applied to the NSX for suspension of its shares from trading to facilitate implementation of the one-for-four share consolidation approved by shareholders at the AGM held earlier today.

The company is not aware of any reason why a trading halt should not be granted as requested and expects it to be lifted in a few days as soon as the practical arrangements for the share consolidation have been completed.

Yours faithfully

JJ Martineau
Company secretary
