Dear Sir

**Re: Application for Quotation of Additional Securities**

I wish to advise that upon checking the number of B Class Shares applied for under the Capital Raising Prospectus we have identified that the previously submitted Application for Quotation of Additional Securities incorrectly identified the number of shares issued.

The correct number of B Class shares issued is 15,390,424, which is 3,150 less than previously notified. Attached is a replacement application which includes the correct number of B Class Shares.

Yours Sincerely

Mandy Del Gigante  
Company Secretary
