Resolution 3 – Share Reset

1.1 General

The Company undertook placements totalling 210,000 shares to raise \$65,000 during the financial year ended 30th June 2009.

Resolution 3 seeks Shareholder's ratification for the allotment and of these 210,000 (Share Placements).

None of the subscribers pursuant to this issue were related parties of the Company and no one subscriber has acquired more than 20% of the issued share capital of the Company.

1.2 NSX Listing Rule 6.25

NSX Listing Rule 6.25 provides that prior approval of the shareholders of a company is required for an issue of equity securities if the securities will, when aggregated with the securities issued by the company during the previous 12 months, exceed 15% of the number of securities on issue at the commencement of that 12 month period.

One circumstance where an issue is not taken into account in the calculation of the 15% threshold is where the issue is approved by shareholders or later ratified by shareholders. In this resolution ratification is sought so that the Share placement is not counted in the Director's ability to issue up to 15% of the capital of the company without the prior approval of shareholders at a general meeting.

Pursuant to and in accordance with NSX Listing Rule 6.25, the following information is provided in relation to the recently completed Share Placement:
