Dear Mr Craig

PREMIUM INCOME FUND (NSX:PIN) – REQUEST FOR TRADING HALT

Wellington Capital Limited as responsible entity of the Premium Income Fund requests a trading halt on the trading of units in Premium Income Fund. The reasons for the requested trading halt are to ensure that there is an informed market in the trading of units in Premium Income Fund.

The Fund considers that the trading halt would last for 48 hours or until the making of an announcement by the Fund, whichever occurs first.

Wellington Capital Limited is not aware of any reason why the trading halt should not be granted.

Yours sincerely

Jenny Hutson
