Scott/Michael

Following our conversation today could you please now move forward and suspend trading in our shares effective immediately. We will be making some price sensitive announcements and require the suspension of trading in our shares because we cannot contact all the shareholders at the same time and do not want any of the shareholders to be at a disadvantage as a result of this. This will be for an indefinite period.

Many Thanks

On behalf of Baribunma Holdings Limited

Peter Bancroft
CEO

Robert Pringle
Director
