The Secretary,
National Stock Exchange of Australia Ltd.,

Dear Scott,

The Board of Directors of Baribunma Holdings Limited has requested that I lodge the following announcement with the Exchange:

“In light of the fact sales of the electric wheelchair continue to prove to be difficult, the Directors of Baribunma Holdings Limited continue to seek out alternative market opportunities to add value to the Company. Further announcements will be made once an appropriate opportunity has been identified. In the meantime the Directors of Baribunma believe it is prudent to leave the trading of shares in suspension.”

Regards,

Geoff Denyer,

Company Secretary.
