Comments by directors

Comments on the following matters are required by the Exchange or, in relation to the half yearly statement, by AASB 134: Interim Financial Reporting. The comments do not take the place of the directors' report and statement (as required by the Corporations Act) but may be incorporated into the directors' report and statement. For both half yearly and preliminary final statements, if there are no comments in a section, state NIL. If there is insufficient space in comment, attach notes to this statement.

Basis of accounts preparation

If this statement is a half yearly statement, it is a general purpose financial report prepared in accordance with the listing rules and AASB 134: Interim Financial Reporting. It should be read in conjunction with the last annual report and any announcements to the market made by the issuer during the period. This report does not include all notes of the type normally included in an annual financial report [Delete if inapplicable.]

Included in Interim Financial Report

Any other factors which have affected the results in the period, or which are likely to affect results in the future, including those where the effect could not be quantified.

Nil

Franking credits available and prospects for paying fully or partly franked dividends for at least the next year

There is an available franking account balance of \$496,146. No prediction is made as to dividend prospects.

Changes in accounting policies, estimation methods and measurement bases since the last annual report are disclosed as follows.

(Disclose changes in the half yearly statement in accordance with paragraph16(a) of AASB 134: Interim Financial Reporting. Disclose changes in the preliminary final statement in accordance with paragraphs 28-29 of 108: Accounting Policies, Changes in Accounting Estimates and Errors.)

Nil

An *issuer* shall explain how the transition from previous GAAP to Australian equivalents to IFRS' affected its reported financial position, financial performance and cash flows. (as per paragraph 38 of AASB 1: First-time Adoption of Australian Equivalents to International Financial Reporting Standards)
