

Market Release

19 June 2012

PRINT MAIL LOGISTICS LIMITED

Print Mail Logistics Limited (NSX symbol: PNT) advises that historically on an annual basis it has printed and mailed approximately 685,000 items for councils in Tasmania.

Following a concerted marketing effort, the Company is pleased to advise that it has within the last 7 months, but in a majority of instances within the last 30 days, been contracted to provide similar services to 8 councils located in New South Wales and Queensland. The estimated annual volume of this additional work is approximately 720,000 items.

In addition, Print Mail Logistics Limited has proposals before a number of councils in New South Wales, Queensland and Victoria and will continue to keep the market fully informed of all material developments.
