

Logan Community Financial Services Ltd

Message from the Chairman

Welcome to another edition of Logan Community Services Limited newsletter.

This last quarter has been a busy period for our Company and staff, along with running our five

Community Bank® branches and nine ATM's, we have invested in many community events and celebrations.

On 6 June we opened our first Bendigo Bank Agency at Greenbank Plaza News, Pub Lane, Greenbank. With the continued growth in the Greenbank area, the Board saw a need to provide banking facilities to the local area.

Thus began the search for a like minded community business to partner with us.

Wayne and Iris Burrows own and operate the Greenbank Plaza Newsagency. They also live in the area. They are community minded people always looking for ways to support their local community. Partnering with Logan Community Financial Services Ltd to offer banking facilities to their community was the perfect fit. This partnership will ensure that the residents of Greenbank now have banking facilities in their local area without the need to travel to neighbouring suburbs.

Logan Community Financial Services Ltd welcomes Wayne, Iris and the team at Greenbank Plaza Newsagency to this partnership and look forward to supporting the Greenbank community.

In May we hosted our annual Big Day Out for people with disabilities.

It was fantastic to see so many community groups come along and really let their hair down and enjoy the day. Please visit our website www.logancommunitybank.com.au to view more pictures of this enjoyable day.

More stories about the other wonderful activities we have been involved in appear in this edition.

Notwithstanding these tough economic times I

am pleased to report that our branches are performing well, providing financial support to local clubs, groups and organisations as well as providing products and services to our local community.

It is my pleasure to welcome Sharon Pullen to the Board. Sharon is a partner with DKM Group and is an experienced accountant who provides business advice to a large and broad range

of clients in the following industries; service, retail, transport, building and construction and manufacturing. Sharon lives and works locally and has recently taken on the role of Treasurer for the company. I am sure you join with me in thanking Sharon for so generously giving of her time to help on our Board.

Just a reminder, our Annual General Meeting this year is going to be held on Monday 5 November 2012 and I would encourage you all to come along and meet the Board and staff. It is a very informative night and you will gain further insight into the future of our Company. More information will be communicated about this event in due course.

I wish to thank you for your ongoing support of Logan Community Financial Services Limited.

John McLaughlin
Chairman

Springwood Pumas

This year we have provided funding to the Springwood Pumas Australian Football Club. The club is a community based not for profit organisation. It is run by volunteers to provide local children and adults the opportunity to participate in organised sports in a safe and friendly environment and has over 300 members. If you are driving along Sports Drive, keep a look out for the roof top sign.

Chambers Pine Golf Club

Logan **Community Bank**® Branch, Marsden is proud to sponsor the Chambers Pine Golf Club. Ray Bignall from the club commented on how important the support of businesses in the local community such as Logan **Community Bank**® Group is to the ongoing success of the club. Chambers Pines is a community focused golf club with a majority of its members living in the local area.

Big Day Out

Logan **Community Bank**® Group were proud to host its annual Big Day Out event for people with disabilities. This day is funded by the branches and offers the disabled community of Logan a free day out to compete in team activities which they would not normally get to experience.

Some 18 teams which consisted of over 300 participants including careers enjoyed the day which started with a traditional march past, mini “Olympic” style activities followed by lunch, presentations and finally the disco, which was a huge hit.

The community service groups look forward to the day and ask regularly throughout the year when the next Big Day Out is on – it is something that they really looked forward.

Logan **Community Bank**® Group would like to thank PCYC Tudor Park and Logan City Council for their continued support.

Kingston Park Raceway

On Thursday 14 June Logan **Community Bank**® Group held our inaugural go kart race day. All funds raised were donated to Lighthouse Calvary Care. It was a great day supported by many local businesses. Logan **Community Bank**® Group raised in excess of \$2,500 to donate to this wonderful charity. Lighthouse Calvary Care is a place where people can receive a warm friendly smile and a trolley of food for their families for \$20. In these tough economic times, Calvary Care is able to help meet the needs of families and individuals to lighten the load just a bit by helping put food on their tables.

PCYC's Time 4 Kids

PCYC's Time 4 Kids saw over 40 PCYC goals spring up across Queensland during National Youth Week to raise \$250,000 for young Queenslanders; our Chairman John McLaughlin was "Locked Up" at the Loganholme Piazza Goal and had to raise a \$1,000 bail before he could be released. Thanks to Logan **Community Bank**® Group and local businesses John was able to raise \$1,250 for this great organisation.

Logan, Beenleigh and Crestmead PCYC raised just under \$30,000 which will go towards funding youth development and crime prevention programs in our local community.

Daisy Hill Netball Club Inc.

Peter Wild, Branch Manager of Logan **Community Bank**® Branch, Springwood and his team were happy to provide sponsorship to the Daisy Hill Netball Club Inc. This financial support will assist the club to purchase uniforms, trophies and equipment.
