7.3 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis for Preparation

The historical and pro-forma financial information has been prepared in accordance with the measurement and recognition criteria of Australian Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board, Urgent Issues Group Interpretations.

The following is a summary of the material accounting policies adopted by the Company in the preparation of the financial information. The accounting policies have been consistently applied, unless otherwise stated.

The financial information has been prepared on an accrual basis and is based on historical costs.

(b) Accounting Policies

(i) Income Tax

Deferred tax is accounted for using the balance sheet liability method in respect to temporary differences arising between tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences and losses can be utilised.

(ii) Trade and other payables

Trade and other payables represent the liability outstanding at balance date for goods and services received by the Company during the period which remain unpaid.

(iii) Provisions

Provisions are recognised when Stacpoole has a legal or constructive obligation, as a result of past events, for which it is probable that the outflow of economic benefit will result and that the outflow can be measured reliably.

(iv) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks and financial institutions, other short term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short term borrowings in current liabilities on the balance sheet.

(v) Share Based Payments – Options

The fair value of options granted to directors as part of their compensation benefits is recognized as an employee benefits expense with a corresponding increase in equity. The total amount to be expensed is determined by reference to the fair value of the options granted, which includes any market performance conditions and the impact of any non-vesting conditions but excludes the impact of any service and non-market performance vesting conditions.

The expense is recognized over the vesting period, which is the period over which all of the specified vesting conditions are to be satisfied. Where all vesting conditions are met on grant date the expense is recognized in the current period.

This is a Third Supplementary Prospectus dated 2 November 2012 intended to be read with the Second Supplementary Prospectus dated 3 August 2012, the Supplementary Prospectus dated 4 May 2012 and the Replacement Prospectus dated 17 February 2012 which replaced a prospectus lodged on 6 February 2012 relating to the Offer by Stacpoole Investments Limited

(vi) Revenue

Revenue from the sale of goods is recognised upon settlement of the property sale contract.

Interest revenue is recognised on a time proportionate/effective interest method basis taking into account the interest rates applicable to the financial assets.

Dividend revenue is recognised when the right to receive the dividend has been established. Dividends received from associated and joint venture entities are accounted for in accordance with the equity method of accounting.

Revenue for the rendering of service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and service tax (GST).

(vii) Inventory

Inventories are measured at the lower of cost and net realizable value. The cost includes direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

(viii) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of the acquisition of the asset or as part of an item of the expense. Receivables and payables in the Balance Sheet are shown inclusive of GST.

This is a Third Supplementary Prospectus dated 2 November 2012 intended to be read with the Second Supplementary Prospectus dated 3 August 2012, the Supplementary Prospectus dated 4 May 2012 and the Replacement Prospectus dated 17 February 2012 which replaced a prospectus lodged on 6 February 2012 relating to the Offer by Stacpoole Investments Limited

relation to the ability of the Company to continue as a going concern. The Historical Financial Information incorporates such pro forma transactions and adjustments as the Directors considered necessary to present the financial position of the company going forward. The Directors are responsible for the preparation of the Historical Financial Information, including the determination of the Pro Forma Transactions and adjustments.

We have conducted our review of the Historical Financial Information in accordance with Australian Auditing Standards applicable to review engagements. We made such inquiries and performed such procedures as we, in our professional judgement, considered reasonable in the circumstances including:

- an analytical review of the audited financial performance of the Company for the relevant historical period
- a review of work papers, accounting records and other documents
- a review of the assumptions (which include the Pro Forma Transactions) used to compile the Pro Forma Balance Sheet
- a comparison of consistency in application of the recognition and measurement principles under Australian Accounting Standards and other mandatory professional reporting requirements in Australia, and the accounting policies adopted by the Company disclosed in Section 6 of the Third Supplementary Prospectus, and
- enquiry of Directors, management and others.

These procedures do not provide all the evidence that would be required in an audit, thus the level of assurance provided is less than given in an audit. We have not performed an audit and, accordingly, we do not express an audit opinion on the Historical Financial Information.

Review statement on Historical Financial Information

Based on our review, which is not an audit, nothing has come to our attention which causes us to believe that:

- the Pro Forma Balance Sheets have not been properly prepared on the basis of the Pro Forma Transactions
- the Pro Forma Transactions do not form a reasonable basis for the Pro Forma Balance Sheets
- the Historical Financial Information, as set out in Section 6 of the Third Supplementary Prospectus, does not present fairly the historical and pro forma balance sheets of the Company as at 30 June 2012, assuming completion of the Pro Forma Transactions in accordance with the recognition and measurement principles prescribed under Australian Accounting Standards and other mandatory professional reporting requirements in Australia, and the accounting policies adopted by the Company disclosed in Section 6 of the Third Supplementary Prospectus.

This is a Third Supplementary Prospectus dated 2 November 2012 intended to be read with the Second Supplementary Prospectus dated 3 August 2012, the Supplementary Prospectus dated 4 May 2012 and the Replacement Prospectus dated 17 February 2012 which replaced a prospectus lodged on 6 February 2012 relating to the Offer by Stacpoole Investments Limited

Subsequent events

Apart from the matters dealt with in this Report, and having regard to the scope of our Report, to the best of our knowledge and belief no material transactions or events outside of the ordinary course of business of the Company have come to our attention that would require comment on, or adjustment to, the information referred to in our Report or that would cause such information to be misleading or deceptive.

Independence or disclosure of interest

PricewaterhouseCoopers Securities Ltd does not have any interest in the outcome of the Issue other than the preparation of this Report and participation in due diligence procedures for which normal professional fees will be received.

Liability

PricewaterhouseCoopers Securities Ltd has consented to the inclusion of this Report in the Third Supplementary Prospectus in the form and context in which it is included. The liability of PricewaterhouseCoopers Securities Ltd is limited to the inclusion of this Report in the Third Supplementary Prospectus. PricewaterhouseCoopers Securities Ltd makes no representation regarding, and has no liability for, any other statements or other material in, or any omissions from, the Third Supplementary Prospectus.
