NSX Announcements Office

### **Company announcement – *for release to the market***

The company advises that the rights offer made to shareholders under the offer information statement dated 11 June has failed to reach the minimum subscription of \$580,000. The last day for receipt of applications under the offer was 19 July.

As explained at the time of the offer, the board sees no alternative to winding-up, and a notice of EGM for that purpose will be sent to shareholders shortly. It is anticipated that the EGM will be held around the end of August and that a single resolution will be proposed for the company to be delisted from the NSX and a liquidator to be appointed.

A handwritten signature in dark ink, appearing to read 'S. E. Jones', is positioned above the printed name of the signatory.
