

ENPRISE GROUP LIMITED

FOR IMMEDIATE RELEASE

Auckland, New Zealand – August 7th 2013 – Enprise Group Limited (NSX:ENS) announces that it has acquired a 10% stake in Cloud Solution developer, Accountability Access Pty Limited for A\$200,000.

Based in Melbourne Australia, Accountability Access Pty Limited develops and markets a cloud job management and accounting solution called “Accountability” which is designed specifically for creative and communication agencies.

Commenting on the transaction, Enprise CEO Mark Loveys said “This investment signals the start of a new global sales partnership between Enprise and Accountability Access. In parallel with this investment, Enprise will be establishing a new sales and support capability to market Accountability internationally.”
