Quotation agreement

1 Quotation of our additional securities is in NSX's absolute discretion. NSX may quote the securities on any conditions it decides.

2 We warrant the following to NSX.

- The issue of the securities to be quoted complies with the law and is not for an illegal purpose.
- There is no reason why those securities should not be granted quotation.
- An offer of the securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any securities to be quoted and that no-one has any right to return any securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the securities be quoted.
- We warrant that if confirmation is required under section 1017F of the Corporations Act in relation to the securities to be quoted, it has been provided at the time that we request that the securities be quoted.
- If we are a trust, we warrant that no person has the right to return the securities to be quoted under section 1019B of the Corporations Act at the time that we request that the securities be quoted.

3 We will indemnify NSX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.

4 We give NSX the information and documents required by this form. If any information or document not available now, will give it to NSX before quotation of the securities begins. We acknowledge that NSX is relying on the information and documents. We warrant that they are (will be) true and complete.
