

IQX Ltd unanimously approved by the GXG Admissions Committee, to commence trading on the Main Quote of GXG.

IQX Ltd will now be trading on the European stock exchange for SME's

SYDNEY, Australia, December 24th, 2013 – IQX Limited (NSX: IQX), (GXG: IQX), a specialist life science investment organisation, announced today that it was unanimously approved to list, by the GXG Admissions Committee, on the 3rd of January 2014.

The Company has been admitted to the Main Quote of the GXG Markets with an opening price of 0.332 EUR, giving it a market capitalization of 33,491,381 EUR, using its current quote on NSX.

IQX Chief Executive Officer, George Syrmalis, commented, " *it is our intention that we gain exposure to European investors, institutional and retail. We can only grow to become global only through a global support base and global operations*".

Spiro Sakiris – Company Secretary

Safe Harbor Statement

Any statements in this press release that relate to the Company's expectations are forward-looking statements, within the meaning of the Private Securities Litigation Reform Act. The Private Securities Litigation Reform Act of 1995 (PSLRA) implemented several significant substantive changes affecting certain cases brought under the federal securities laws, including changes related to pleading, discovery, liability, class representation and awards fees. Since this information may involve risks and uncertainties and are subject to change at any time, the Company's actual results may differ materially from expected results. Additional risks associated with IQX's business can be found in its periodic filings with the National Stock Exchange of Australia.
