Company Secretary

## **Business Conditions**

The Company wishes to advise that the Directors have become aware that a reduction of approximately 7% in banking business will occur on 1<sup>st</sup> April 2014 due to decisions by external parties and while this event is material and likely to affect the full year's results, the impact is not definable as current banking business is ahead of budget for the full year.

The Information is current as at 3<sup>rd</sup> March 2014
