Dear Sir/Madam,

Hamilton Securities Limited (NSX: HSE)
On-market buy-back of Ordinary Shares

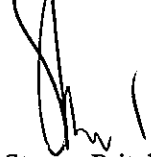

On 26 August 2013, the Company announced an intention to conduct an on-market buy-back program to buy back up to 10% of its B Class Shares. The Company had 502,000 B Class Shares on issue immediately before commencement of the on-market buy-back program.

On the 30 November 2013, the shareholders of the A and B class shares passed a number of resolutions, the result of which was that the A Class Shares were given voting rights and now rank equally in all respects with the Company's B Class shares. As a result of this the Company now only has one class of share quoted on the NSX, under the trading code HSE.

The Company announces that as at 19 June 2014, the Company bought back 42,000 of its Shares at approximately \$0.3721 per Share under this on-market buy-back program.

No current directors of the Company and their related parties have sold their holding Shares via the Company's on-market buy back program.

Yours faithfully

Steven Pritchard
Director
