LEAVE OF ABSENCE

38/194 Old Mandurah Road,

Ravenswood W.A. 6208.

13 July 2014.

Pinjarra Community Financial Services Limited,

Box 584,

P.O. Pinjarra 6208.

Because I will be undergoing chemotherapy using the pump method at two week intervals for twelve sessions I am initially asking for leave of absence for July, August and September. By this time I will know how my body will react to this treatment and whether I will need more leave because the treatment will take until sometime in January 2015. I would still like to receive emails etc. and meeting reports during this period of time. I hope the board will accept my request.

Yours sincerely,

Ernest A. Hiddlestone
