Review of Operations

The Company's investment objectives are:

- Preservation of the capital of the Company;
- Achieve a high real rate of return, comprising both income and capital growth; and
- Deliver shareholders a secure income stream in the form of fully franked dividends.

The Company aims to achieve these objectives by seeking to invest for the medium to long-term in companies and construct an investment portfolio which will:

- Focus on the investment merits of individual stocks rather than market and economic trends;
- Invest in shares which it expects to yield dividends;
- Invest in securities which it assesses to be undervalued relative to their long term potential;
- Have the securities of between 20 and 60 issuers represented in its portfolio.

The Directors have established a number of key performance indicators that they use in their assessment of the Company's performance, including, earnings per share, dividends paid to shareholders and asset backing per share.

The Company earned a net profit after income tax of \$1,963 for the half year ended 31 December 2014.

In addition the Company made a net realised gain after income tax on its investment portfolio of \$238 and unrealised gain of \$64,043 after income tax, which was transferred to the investment revaluation reserve.

The Company paid a fully franked dividend of 1 cent from its listed investment company capital gains tax reserve during the period.

The total shareholder return for the half year, comprising of the dividend paid and the increase in the net asset value of the shares from 36.6 cents to 37.8 cents per share was 6.0%.

As at 31 December 2014, the company had Cash in the bank of \$30,364 and short term borrowings of \$122,142.

Auditor's Declaration

The lead auditor's independence declaration under section 307C of the *Corporations Act 2001* is set out on page 2 for the half-year ended 31 December 2014.

This report is signed in accordance with a resolution of the Board of Directors.

Director

Steven Pritchard

Dated this 13thday of March 2015

AUDITOR'S INDEPENDENCE DECLARATION TO THE DIRECTORS OF ILLUMINATOR INVESTMENT COMPANY LIMITED

In accordance with section 307C of the *Corporations Act 2001*, I am pleased to provide the following declaration of independence to the directors of Illuminator Investment Company Limited.

As lead audit partner for the review of the financial statements of Illuminator Investment Company Limited for the half-year ended 31 December 2014, I declare that to the best of my knowledge and belief, there have been no contraventions of:

- (i) the auditor independence requirements of the Corporations Act 2001 in relation to the review; and
- (ii) any applicable code of professional conduct in relation to the review.

Interim Financial Report

NOTES TO THE CONDENSED FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2014

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation of the Condensed Financial Statements

The half-year condensed financial statements are a general purpose financial report prepared in accordance with the requirements of the *Corporations Act 2001* and Australian Accounting Standard *AASB 134: Interim Financial Reporting.* Compliance with AASB 134 ensures compliance with International Financial Reporting Standards IAS 34: Interim Financial Reporting.

It is recommended that this financial report be read in conjunction with the annual financial report for the year ended 30 June 2014 and any public announcements made by Illuminator Investment Company Limited during the half-year in accordance with continuous disclosure requirements arising under the *Corporations Act 2001*.

Cost is based on the fair values of the consideration given in exchange for assets. All amounts are presented in Australian dollars.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in the company's 2014 annual financial report for the year ended 30 June 2014, except for the impact of the Standards and Interpretations described below. These accounting policies are consistent with Australian Accounting Standards and the Interpretations Financial Reporting Standards.

The Company has not applied any Australian Accounting Standards or AASB interpretations that have been issued at balance date but are not yet operative for the half year ended 31 December 2014 ("the inoperative standards"), except for AASB 9. The impact of the inoperative standards has been assessed and the impact has been identified as not being material. The company only intends to adopt inoperative standards at the date at which their adoption becomes mandatory.

The adoption of the various Australian Accounting Standards and Interpretations in issue but not yet effective will not impact the company's accounting policies. However, the pronouncements will result in changes to information currently disclosed in the financial statements. The company does not intend to adopt any of these pronouncements before their effective dates.

The following significant accounting policies have been adopted in the preparation and presentation of the half year financial report from 1 July 2014 to 31 December 2014.

(a) Holdings of Securities

(i) Statement of Financial Position classification

The Company has two portfolios of securities, the investment portfolio and the trading portfolio.

The investment portfolio relates to holdings of securities which the directors intend to retain on a long-term basis, and has been classified as a non-current asset.

The trading portfolio comprises securities held for short term trading purposes and is classified as a current asset.

(ii) Valuation of investments

Securities, including listed and unlisted shares, notes and options, are initially brought to account at cost (including any associated transaction costs) and are continuously carried at fair value.

Fair value for the purposes of valuing holdings of securities is determined by reference to market prices prevailing at balance date, predominantly last sale price, where the securities are traded on an organised market. Where a security is not so traded, its fair value is determined by the Directors.

NOTE 1: SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

(iii) Gains and losses on investments

Investment portfolio

All gains and losses (realised and unrealised) on equity instruments held in the investment portfolio are reported as "Other Comprehensive Income".

Cumulative gains and losses are transferred from the investment revaluation reserve to retained profits or the realised capital gains reserve when the investments are sold. The realised capital gains reserve is used primarily to record gains upon which Capital Gains Tax has been or will be paid, and which consequently are available for distributions to shareholders as Listed Investment Company Capital gains, which enable many shareholders to claim some of this as a tax deduction.

Trading Portfolio

Realised and unrealised gains and losses arising from changes in the fair value of the trading investments are included in the Statement of Profit or Loss in the period in which they arise.

(iv) Income from holdings of securities

Distributions relating to listed securities are recognised as income when those securities are quoted exdistribution basis. Distributions relating to unlisted securities are recognised as income when received unless the distributions are capital returns in which case the amount of the distribution is treated as an adjustment to the cost base of the securities.

(b) Income Tax

The Company adopts the liability method of tax-effect accounting whereby the income tax expense is based on the profit from ordinary activities adjusted for any non-assessable or disallowed items.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the Statement of Profit or Loss except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the company will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

(c) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

(d) Excess of Current Liabilities over Current Assets

At 31 December 2014, the Company has current assets of \$47,491 and current liabilities of \$133,856, a deficiency of \$86,365. The financial report has been prepared on a going concern basis, which contemplates the realisation of assets and satisfaction of liabilities in the ordinary course of business. The Directors will realise a portion of the Company's investment portfolio to enable the Company to meet any debts as and when they fall due and payable if required. It is on this basis that the going concern assumption is appropriate.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF ILLUMINATOR INVESTMENT COMPANY LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Illuminator Investment Company Limited, which comprises the statement of financial position as at 31 December 2014, and the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the half-year ended on that date, a summary of significant accounting policies, other explanatory notes and the directors' declaration.

Directors' responsibility for the financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Australian Auditing Standard on Review Engagements ASRE 2410 Review of Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2014 and its performance for the half-year ended on that date; and complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the *Corporations Act 2001*. As the auditor of Illuminator Investment Company Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
