What's new with Logan Community Bank® Group?

Without doubt, the past financial year has represented one of considerable change. Everyone should now be aware that the original corporate Bendigo Hyperdome branch which was part of the community buy out, has now relocated to new community owned premises. The new location offers a huge visual presence to Bryants Road and repositions us amongst the community, bringing the Logan Community Bank® Group Loganholme back to its grass roots. Additionally, after 11 years in Springwood, our administration office has also been relocated next door to the branch. I take this opportunity to point out the availability of a community boardroom facility which may be hired. I would also like to extend an invitation to shareholders, banking members and local community organisations to drop in anytime to check out our new home.

What recent big events and community support have Logan Community Bank® Group been involved in recently?

We have just celebrated the ninth year of involvement as the patron for Logan's Best Day Out and are dedicated to ensuring we make the tenth year the best year yet. With planning already underway we are seeking co-sponsors and local business support to ensure our goals

are achieved. Anyone wanting to get involved please do not hesitate in contacting our administration office or popping to any of our branches for a chat.

Our commitment and partnership with Logan City Council is also stronger than ever, and this has led to our major sponsor status and involvement with the Queensland Music Festival. This is set to be one of the largest events of its kind and one not to be missed. Over 700 local participants are set to light up the stage and this promises to be an extremely exciting event.

What changes can we expect to see moving forward this year?

As our banking partner, Bendigo Bank has worked closely with Community Bank® branches across the country to look at how the relationship needs to evolve leading into the future. After a very in depth review and consultation process we expect to move to a new set of financial guidelines in the profit share model by mid-2016. Logan Community Financial Services Limited support the movement and believe it will prove to be highly beneficial to future operations and overall profitability.

The space will become a regular cross-marketing promotional platform dedicated to sharing local ideas, events and products. We would like to invite local business personalities, community leaders, local celebrities and people of interest to make contact by emailing rebecca@lcb.net.au to find out more.

Best Day Out update.

Hundreds of disabled young adults from across Queensland enjoyed another fun-filled day at the "Best Day Out" at Tudor Park, Loganholme this year held on 12 May.

Always an anticipated event on the Logan **Community Bank**® Group corporate calendar, the day is dedicated to those in the community afflicted with physical and/or mental disadvantages.

Over the last nine years the event has grown from a small sponsorship commitment into an ongoing partnership with several community services.

Approximately 300 participants took part in the 'Mini Olympics' styled day which included activities such as gumboot throwing, earth ball relay, hockey and frisbee throwing.

The day was traditionally ended with a disco and trophies were presented to all who got involved in the festivities by local Councillor Jennie Breene and the Logan **Community Bank**® Group Chairman, Jason Luckhardt.

With next year marking the 10 year anniversary of the event, Logan Community Financial Services Limited are committed to ensuring that it will be the 'best year yet'.

With a contribution of over \$45,000 to date donated to this event alone Logan Community Financial Services Limited would like to encourage further support from the local business community to ensure the event is taken to a whole new level.

Above: Deaf Services QLD – one of the loudest and most enthusiastic groups.

Whilst the day has always had an interactive team sporting focus event organisers would also like to see the offerings evolve to include less strenuous activities and promotional giveaway stands.

Preparations for next years' event are underway already! To find out more or to get involved please contact our office on 3806 4000.

Beenleigh Junior Quota Sleep Out!

Sponsored by the Junior Quota Club of Beenleigh, the first Sleep Out event of the year was traditionally held at the Beenleigh Tennis Centre on 16 May and is run solely by the local school students.

Aimed at raising money for homelessness, participants sleep out in a cardboard box for the night. Participants are not only encouraged to decorate their boxes but dress up to an allocated theme, this year being 'Sci Fi'.

Logan **Community Bank**® Group Beenleigh Branch Manager Helen Wilson said that she was honoured to be able to take part in the event.

"A big thank you goes out to our local Beenleigh community who sponsored my involvement. The night was a huge success and the weather even pitched in to help with a little rain overnight leading to some soggy shelters," Ms Wilson said.

The next event has been scheduled for later this year with further details yet to be released.

Two Branch Managers reach 15 years.

Two Logan **Community Bank®** Group Branch Managers were recognised for their 15 years of service at the annual Bendigo Bank Long Service Ceremony in March this year.

Matthew Harris of Logan **Community Bank®** Group Marsden and Scott Northfield of Logan **Community Bank®** Group Browns

Plains were both

acknowledged for the dedication and commitment they bring to the role as well as the difference they have made in giving back to their local communities.

Mr. Harris said that the most rewarding part of his 15 years spent with the Bank has been the relationships built with the customers.

"Being able to make a difference to people's lives by providing opportunities for them to realise their dreams, like opening an account for their first car or first home," Mr Harris said.
