

Profile of Chief Financial Officer - Ms. Teh Woon Mee

Ms. Teh Woon Mee graduated Cum Laude with a Bachelor of Business of Administration degree from University of Montevallo, Alabama, United States of America.

Ms. Teh's experiences of more than 25 years are far and wide from being a Manager in Business Support to Sales & Marketing Manager, to General Manager in the networking industry. Her vast experiences from business compliances, customer service, operations, logistics, sales, marketing, finance, management as well as expansions of businesses and offices internationally gave her an invaluable advantage that garner Ms. Teh the position of CEO with a local setup.

Ms. Teh's perseverance through adversity, strong leadership skill and personality, together with her strategic and business skills are definitely an added advantage not only to AdvanceTC Limited's Management, Board of Directors, but also to the Shareholders.

Ms. Teh together with the Management Team, will lead AdvanceTC to the forefront by having a holistic measurable sustainability program in place, creating revenues and values to all shareholders.
