

A summary of things around Logan Community Bank® Group.

Continuing tightness in the world's financial markets has meant that overall we too have continued to adopt a tight line on what we are involved in out in the broader marketplace.

Our closeness to the markets in which we operate (being part of our community) assists in knowing where we can be most effective and helpful. Some of our long term sponsorship and marketing arrangements have really solidified through this process and we are proud to associate with some of the area's best organisations.

A few notable mentions are:

PCYC with a variety of centres across the city - delivering outstanding support to the local community and a range of programs that shape the youth of our city

Park Ridge Pirates AFL - continuing to develop one of the city's most dynamic sports teams in the western section of the city

Logan City Council - Investing heavily with your **Community Bank®** group and allowing us to support a raft of local initiatives

Griffith University Logan Campus - with a strong emphasis on improving the education of Logan and surrounds from early formative years through to university life.

We have just celebrated the 10th anniversary of involvement in Logan's Best Day Out, something that has become a real mainstay of our calendar. This year saw the first year where the relationship moved into the corporate space and a raft of sponsors came on board to assist in the funding of the day.

We would again like to thank the following for their support of this great initiative and look forward to seeing them again at next year's event:

- Tudor Park PCYC
- Kennards Hire
- Homestead Markets
- All Suburbs Real Estate
- Kingston Park Raceway
- Madsen Law
- Griffith University
- Kensington Fair Bakery.

After proudly announcing the bold news of moving away from a major Shopping Centre like the Hyperdome, it was always going to be important to see the new branch flourished at our new site in Shailer Park. Trudy and her team have a lot to be proud of, after not just winning the region's 'Branch of the Month' multiple times throughout the year, but taking out the overall 'Branch of the Year' award for 2015.

Mark Lang, Mobile Relationship Manager.

Our local banking group is also proud to announce the recent appointment of Mark Lang as the group's Mobile Relationship Manager. Whether you are looking at a loan big or small, residential, commercial, chattel leasing or other, Mark has the broad range of skills and knowledge to give you top notch service and will do so in the convenience at a site to suit you. Call one of our branches to arrange for Mark to assist with your banking needs.

The financial markets will continue to offer up a broad range of challenges, not just locally but across national and international markets. Whilst we cannot control these issues in the big scheme of things we have a dedicated team locally that continues to work on the issues that are close to our hearts in the community. As always, don't be a stranger and please pop in to your local branch and see the team.

Internship for Griffith Uni students.

Griffith Interns – Branch Manager's Scott Northfield, Matt Harris, Interns Mathew Anzar and Carlo Alora, Ben Cameron, Director of Griffith Partnerships and Bendigo Bank Regional Manager Mark Lally.

Two Griffith University students who attend the Logan Campus are both fortunate to have completed some 'real world' exposure to the banking and finance industry.

The internship opportunity was aimed at students who selected Bendigo and Adelaide Bank as their desired business to work with on a Community Sector Related Project.

The project with the group involved students creating a digital media package that illustrated what the **Community Bank®** model was all about. The clips included interview grabs from Branch Managers as well as other bank staff and community partners as part of the content.

Several edits of the filming were presented to Bendigo and Adelaide Bank Corporate Representatives which included the State Manager Noel Jessop and Regional Manager Mark Lally.

The completed presentations are now being utilised by the Marsden and Browns Plains **Community Bank®** branches throughout the community as a modern promotional platform.

We Care.

Beenleigh **Community Bank®** Branch staff members Wilma and Sheena attended the inaugural 'We Care' event held at the Brigalow Country Community Club in June of this year.

Members of the community came together to celebrate and recognise members of the local community for their contributions.

Beenleigh Branch Staff Wilma and Sheena here with Max Noble from Brigalow Country Community Club.

"These people are to be commended for their hard work and were rewarded by way of a Certificate Presentation and a Dinner held in their honour, in supporting those that are suffering from sickness, ill health, operations, loneliness, sadness or are just down-on-their luck at this present time in their life. For each of them, things were not always like this," Wilma said.

"Every friend has a story to tell, a history to be proud of, and we want to share in this remembrance of their lives, and enjoy their company and friendship. Everyone has their own unique problems that they deal with on a daily basis, and we, as a community, are here to let them know that they are not on their own - that WE CARE about them," Sheena said.

Other news in the Community Bank® network.

Through an ongoing relationship across our banking network, the Logan group has taken an interest in supporting the broader expansion of banking services and supported a push to establish a new **Community Bank®** branch in nearby Canungra.

The new **Community Bank®** branch is opening mid October 2016 and is being built at the popular Outpost Cafe in Canungra. Be sure to drop in and say "hi" to the team if you are passing through, it's a wonderful town to visit to see the dynamic growth in happening in the local area, or to simply stop and have a cuppa at the Outpost Cafe.

Springwood Community Bank® Branch supports Grandparents Day.

Springwood

Community

Bank® Branch has partnered with Queensland Council of Grandparents over the last three years where they have been able to provide ongoing guidance and support.

Grandparents Day was celebrated in 'High Tea' style last October where we

were able to recognise the significant contribution that grandparents make to their families and communities.

Springwood **Community Bank®** Branch Manager Linda Ambrose said that it was also an occasion to acknowledge the efforts and devotion of grandparents who are also full-time Carers for their grandchildren.

"It has been recorded that 937,000 Australian children receive care from a grandparent on a regular basis, this represents over a quarter of all children (26%) between the ages of 0-12 years."

"The high tea event was truly such a great way to raise awareness and celebrate this sector of the community, we love helping out with the group as it's such a worthy cause," she said.
