MARKET ANNOUNCEMENT:

Arcadia of Hollywood Adult Day Healthcare Center has experienced a surge of growth in the first quarter of 2017 approximately 20%. Primarily due to an effective outreach program as well as a local Center closure. A large group of participants were in need of a facility closer to their homes. Arcadia of Hollywood was able to provide accommodations and are presently processing these new participants. Arcadia's license capacity is for 200 persons a day. CEO Jeff Vallandingham stated "With this new growth the Center will be close to capacity 3 days of the week."

Accordingly, Arcadia Worldwide requests the removal of the previous trading halt.

Sincerely,

Jeff Vallandingham CEO
