Dear Mr Kaushik

Re: Price Query

Juhe Capital Holdings Limited (the "**Company**")

Thank you for your letter of 2 June 2017. We respond to your query as follows.

The Company recently signed a strategic agreement with Blockchain Tech and an announcement regarding this agreement will be made to the market on or about 6 June 2017.

In addition, last week, the Company received a visit from former Australian Deputy Prime Minister, Mr Wayne Swan.

We do not believe either of these matters are material to the price of the Company. However, they may have contributed to the recent trading in the securities of the Company. Further, the Company is not aware of any other price information concerning the Company that has not been announced to the market.

We can confirm that the Company has been and is currently in compliance with the listing rules and in particular, Listing Rule 6.4.

Please feel free to contact me if you have any further questions.

For and on behalf of
JUHE CAPITAL HOLDINGS LIMITED

HU Liyong (Leon)
Executive Director
