ADVANCETC NEGOTIATING NORTH AMERICAN VENTURE

AdvanceTC Limited ('AdvanceTC' or the 'Company') is pleased to inform that the Company is in advanced negotiation towards granting exclusive distribution rights of its MAGIC products to an USA OTC listed company, for the US/Canada market. With a population of over 350 million people, the US and Canada is a matured wealthy market, which AdvanceTC is ready to penetrate into.

The Company believes that this Distributorship arrangement will allow AdvanceTC to grow its potential in the North American market sector, which remains on a growth trajectory, satisfying the ever expanding 'new innovative' smartphone segment.

Demand for smartphones continues to grow by 6% per annum, with major market shift inclining to look for 'new innovative' type of devices.
