JOHN BRIDGEMAN LIMITED – NSX: JBL – REQUEST FOR A TRADING HALT

Pursuant to the NSX Listing Rules, John Bridgeman Limited requests a trading halt on the trading of securities in John Bridgeman Limited. The reasons for the requested trading halt are to ensure that there is an informed market in the trading of securities in John Bridgeman Limited.

John Bridgeman Limited is undertaking a capital raising, and will comply with its obligations under the Corporations Act in relation to continuous disclosure.

John Bridgeman Limited considers that the trading halt would last until the commencement of ordinary trading on Wednesday 12 July 2017 or the making of an announcement by John Bridgeman Limited about the capital raising, whichever occurs first.

John Bridgeman Limited is not aware of any reason why the trading halt should not be granted.

John Bridgeman Limited has quite consciously kept the market appropriately informed about its recent developments in line with fully complying with its continuous disclosure obligations.

Yours sincerely
