

NSX Market Announcement
28 August 2017

EL 1025 and EL 1173 extended

The board of Consolidated Africa Ltd (NSX: CRA) give notice of payment and the successful application to extend the main exploration lease of EL 1025 for two more years. EL 1173 has also been extended for another 12 months.

The board points out that this means that a mining license will be pursued and that the Company intends to begin the process towards mining once funding has been arranged including a move onto the ASX.

On behalf of the board:

Philip Lindsay
Chairman
