Dear Mr Kaushik

Re: Allwellness Holdings Ltd – Foreign Currency Announcement

We refer to your letter dated 6 September 2017 requesting the Company's response to two questions:

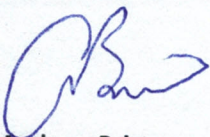

1. Is the Company aware of any law changes in China that may impact the Company's ability to repatriate the currencies?

The Company is aware of a general tightening of monetary policy in China but is not aware of any reason why it is unable to repatriate currencies or that would prevent its clients remitting currencies to Australia in payment for goods supplied by the Company.

2. Has the Company ever not been granted approval from the Chinese Authorities to repatriate funds in China?

The Company has never not been granted an approval to repatriate funds in China and is not aware that any of its clients have not been granted approval to repatriate funds to the Company in payment for goods supplied by the Company.

Yours faithfully

Andrew Bristow
Secretary
