The Company reserves the right to suspend or terminate the on-market buy-back at any time.

The Shareholders also approved an Off-market Buy-back that the Company plans to commence this year, however no final decision has been made as to whether or when to commence the buy-back or, if the Off-market Buy-back is commenced, on the actual number of Shares to be bought back

Since listing on the National Stock Exchange on 25 November 2016, the Company's shares have traded at a high of \$2.20. The last traded price for the Company's Shares was \$2.12, as at 17 October 2017.
