Shanghai Chenghui Certified Public Accountants Co., Ltd.

Audit Report

Chenghui Audit No. (2017) 0952-1

To the shareholders of Ningbo Beida New Energy Science & Technology Co., Ltd.:

We have audited the accompanying balance sheet of Ningbo Beida New Energy Science & Technology Co., Ltd. (the "Company") as of 31 December 2015, and the income statement, and the statement of change in owner's equity, and cash flow statement for the year then ended and notes to the financial statements.

Management's Responsibility for the Financial Statement

The Company's management is responsible for the preparation of these financial statements. This responsibility includes: (1) prepare the financial statements in according to International Financial Reporting Standards (IFRS), and realize the fair reflection; (2) designing, implementing and maintaining internal control relevant to the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statements based on our audit. We conducted our audit in accordance with International Financial Reporting Standards (IFRS) for the Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Audit Opinion

In our opinion, the financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS), and present fairly, in all material respects, the financial position of the Company as of 31 December 2015 and of the results of its operations and its cash flows for the year then ended.

Attachments include:

- 1. Balance sheet as at 31 December 2015
- 2. Income statement for 2015 year
- 3. Cash flow statement for 2015 year
- 4. The statement of change in equity at 31 December 2015
- 5. Notes to the financial statements for 2015 year

V. Closing Balance for Current Year

Ningbo Beida New Energy Science & Technology Co., Ltd.

Notes to financial statement for 2015 year

1. Background of Company

Ningbo Beida New Energy Science & Technology Co., Ltd. ("the Company") is invested by Ningbo Beida Hose Manufacturing Co., Ltd., Huang Yuyun, Qiu Yanhong, and Zheng Guoan. The Company exchanged its Legal Entity Business License with unified social credit code No. 913302006982407342 issued by Ningbo Administration for Industry and Commerce on 12 January 2017 The Company was established on 19 January 2010 and the legal representative is Zeng Hong. Company Type: joint stock limited company (unlisted). Address: RYuexie Village Hengxi Town Yinzhou Disrict, Ningbo. The registered capital of the Company is RMB 10,000,000.00.

Business scope: research and development, manufacturing and processing of solar cell module; design, installation and maintenance of solar photovoltaic project; manufacturing and processing of solar photovoltaic inverter, self-operating or acting as agents for import and export of goods and technologies, excluding goods and technologies restricted or prohibited operation or import and export by government.

2. Instructions on situations at variance with accounting premise

There is no situation at variance with accounting premise.

3. Accounting premise following delclaration

The financial statements have been prepared in accordance with the requirements of International Financial Reporting Standards (IFRS), and present fairly, in all material respects.

4. Significant accounting policies

4.1 Accounting standard and accounting system

The Company adopts International Financial Reporting Standards (IFRS).

4.2 Accounting year

The accounting year of the Company is from 1 January to 31 December.

4.3 Reporting currency

The accounting currency of the company is Renminbi (RMB).

4.4 Basis of accounting

Accrual basis, assets are recorded at actual cost when they are acquired. When the assets recorded at actual cost, after that it happened decrease in value, should be accrual the corresponding impairment according the enterprises accounting system.

4.5 Foreign currency transactions

The Company's reporting currency is the Renminbi ("Rmb"). Foreign currency transactions are translated into the reporting currency at the exchange rates quoted by the People's Bank of China prevailing on the beginning of current month. Monetary assets and liabilities denominated in foreign currencies at the balance sheet date are restated into the reporting currency using the exchange rates at that date. The exchange gains or losses are dealt as financial expenses for the year.

4.6 Cash equivalents

Cash equivalents represent short term (usually refer to within 3 months from the purchasing date), highly liquid investments which are readily convertible into known amounts of cash and are subject to an insignificant risk of changes in value.

4.7 Trade and other receivables

Trade receivables, which generally have 30-90 day terms, are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less an allowance for

uncollectible amounts.

uncollectible are written off when identified. An impairment allowance is recognised when there is objective evidence that the Company will not be able to collect the receivable. Financial difficulties of

the debtor, default payments or debts more than 60 days overdue are considered objective evidence of impairment. The amount of the impairment loss is the receivable carrying amount compared to the present

Trade and other receivables are presented as current assets unless payment is not due within 12 months from the reporting date.

4.8 Inventories

Inventories mainly include materials in transit, finished good.

Inventories are accounted for using the actual costing method. In determining the cost of inventories transferred out or issued for use, the actual costs are determined by method of individual means.

4.9 Fixed assets

Fixed assets refer to buildings, plant and other equipment related to the production and operation of the company with useful lives of over one year.

Fixed assets are recorded at costs on acquisition. Depreciation is calculated with the straight-line method.

The depreciation rates are as follows:

Category of fixed assets	Estimated residual value	Useful life	Annual depreciation rate
buildings	5%	20	4. 75%
machinery	5%	10	9. 50%
transportation equipment,	5%	4	23. 75%
Office and electronic equipment	5%	3	31. 67%

4.10 Intangible Assets

Intangible assets refer to land tenure, industrial property and goodwill, ect related to the production and operation of the company without physical form non-monetary lont-term assets.

Intangible Assets are recorded at costs on acquisition. Depreciation is calculated with the straightline method.

4.11 Trade payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of

financial period which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date.

4.12 Revenue recognition

Revenue from the sales of goods is recognized when significant risks and rewards of ownership of the goods have been transferred to the buyer, the company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control the goods sold, and it is probable that the economic benefit associated with the transaction will flow to the company and the relevant amount of revenue and costs can be measured reliably.

Revenue from provision of services is recognized when the services is provided and finished within 1 year and the revenue is received or the evidence of the receipt of the revenue is obtained. And on the basis of percentage of completion, the revenue is recognized when the total amount of the contract, the percentage of completion, the cost occurred and the cost occurred in the future can be measured reliably, and at the same time, the economic benefit associated with the transaction will flow into the company.

4.13 Income tax

The Company adopt tax payable method

5. Tax rate:

Items	Rate%	Calculation Base	
Value-added tax	17%	VAT payable	
Corporate income tax	25%	The taxable corporate income	
City and Construction fee	7%	The circulation tax	
Education surcharge (including local)	3%	The circulation tax	
Local education surcharge	2%	The circulation tax	
River management fee	1%	The circulation tax
