## NSX RELEASE

AdvanceTC Limited (NSX:A88)

25 May 2018

### **NEW MAGIIC XPLORE X7 ANDROID SATELLITE SMARTPHONE TO BE LAUNCHED BY B/JUNE 2018**

AdvanceTC Ltd ("AdvanceTC" or the "Company") is pleased to inform that its new model, the MAGIIC Xplore X7 Android Satellite Smartphone, is now ready for launch. It is the world's first full function Android Smartphone incorporated with Satellite messaging and emergency capability and features. The Company views this breakthrough innovation as a major future contributor to the Company's brand image and revenue.

The Company is currently in final negotiation with several Distributors on the distribution and retailing of the device. The Company will announce this as and when Distributorships are signed in coming weeks.

The Company is accelerating its development of this line of devices with more new models with different exciting functions. This will be announced in coming months.

The Company is very optimistic that with the introduction of these new innovative devices, the Company will experience significant growth in the coming year.

More information about the MAGIIC Xplore X7 can be obtained here (Product Brochure):-
