Suspension Update

The Board of ZKP Group Limited (ZKP) would like to provide the following update in relation to the ZKP's continued suspension.

ZKP has identified additional Chinese media articles and online blog posts speculating on the failure of certain Chinese P2P platforms and the Board understands the investigation into the failure of these P2P platforms is ongoing.

The directors continue to monitor the situation and any potential impact on the company's operations and will release additional information when it considers it appropriate.

The board has requested that the company's shares continue to remain suspended while it continues to seek further clarification.
