Issue of shares and options

We are pleased to attach an Application for Quotation of Additional Securities (Application) for Vertua Limited (NSX: VERA). The Application sets out several transactions which we summarize for convenience as follows:

1. The exercise of 2,000,000 options by A.C.N. 623 179 680
2. The conversion of 11,040,158 Convertibles Notes to Class A Shares
3. Recognition of the approval for shares to be released from escrow pursuant to the approval granted at the 2018 AGM
4. Recognition of an additional 6,061,019 options under the finance agreement to Manning Capital Holdings, previously approved by shareholders on 17 August 2018

Items 1-3 (above) were affected at a board meeting on Friday 28 September 2018 and will be accounted for in the half year accounts to 30 September 2018. The options were subsequently issued as a result of the increased issued capital and consistent with the terms of that agreement.

Vertua sees these transactions as a step towards the de-leveraging of the balance sheet which will ultimately make the company a more attractive investment opportunity for new investors in the future.
