

**29 April 2019**

**NSX Announcement**

## **Quotation on OTCQX**

Beroni Group Limited (NSX:BTG) (OTCQX:BNIGF) ("Beroni" or "the Company") is pleased to advise that it has qualified to trade on the OTCQX® Best Market. Beroni Group Ltd. upgraded to OTCQX from the Pink® market. Beroni begins trading today on OTCQX under the symbol "BNIGF". U.S. investors can find current financial disclosure and Real-Time Level 2 quotes for the Company on [www.otcm Markets.com](http://www.otcm Markets.com).

"As the first company from the National Stock Exchange of Australia to begin trading on OTCQX, Beroni joins an impressive roster of international companies providing a transparent market for their U.S. investors," said Jason Paltrowitz, Executive Vice President of Corporate Services at OTC Markets Group. "We look forward to supporting Beroni as the Company builds visibility and long-term shareholder value in the U.S. public market."

Mr Jacky Zhang, the Chairman and CEO of Beroni said:

"Beroni is pleased to be traded on the OTCQX Market which will give us access to the U.S. capital market. The Company intends to use both the NSX and the OTCQX platforms to attract new investors and to grow its existing investor base. The OTCQX Market offers U.S.-based investors the opportunity to invest in Beroni and the exciting growth potential that the Company provides. With trading on OTCQX, Beroni will be looking for business opportunities in the U.S. such as partnering with other biomedicine industry leaders by way of research joint ventures and clinical trials for potential new high growth biomedicine products. It is also interested to join forces with U.S. biotechnology companies to develop the global biopharmaceutical business."

-Ends-

### **About Beroni Group Limited (NSX:BTG) (OTCQX:BNIGF)**

Beroni Group is an international biotechnological company listed on the National Stock Exchange of Australia and also quoted on OTC Markets. It currently has four core businesses - cell therapies, developing new anti-cancer drugs, e-commerce platform for pharmaceutical and healthcare products, and detection & diagnosis of infectious diseases.

Beroni Group's overall strategic goal is to become a world's leading enterprise in the biotechnology, life sciences and environmental science industries.
