NSX RELEASE

AdvanceTC Limited (NSX:A88)

3rd June 2019

ADVANCETC XPLORE X7 PROGRESS STATUS UPDATE

AdvanceTC Ltd ('AdvanceTC' or the 'Company') is pleased to advise that the Company has started to deliver commercial ready samples of Xplore X7 to our buyers/distributors for product evaluation and tests. The Company has received excellent positive initial response from testers on product quality, reliability and performance of the product. The Company will continue to deliver more products to all related parties within the month of June 2019. Concurrently the Company has also started the product certification process for FCC, CE and UN accordingly and is expected to receive the appropriate approval within the next 3 weeks, in time for the Company to start its mass production and shipment to buyers/distributors. The Company expect sales momentum to pick up upon the delivery of the 1st shipment of 2,000 units within July 2019. The Company expect a very positive performance for the year.
