NSX and OTCQX Announcement (NSX: BTG)(OTCQX: BNIGF)

Beroni Group Secures Eligibility by The Depository Trust Company (DTC) for its Shares on the OTCQX

Beroni Group Limited ("Beroni" or the "Company") (NSX: BTG) (OTCQX: BNIGF), an international biotechnology company with businesses in China, Japan, Australia and USA, is pleased to announced that it has secured eligibility by The Depository Trust Company (DTC) for its ordinary shares listed on the OTCQX.

"Receiving DTC eligibility approval is an important step forward for the trading of our shares on the OTCQX which will expand Beroni's potential investor base in the USA. Our shareholders will now be able to electronically transfer shares between Australia and the USA. DTC will allow for a more convenient trading experience for current and future shareholders, something we hope will have a positive impact on the liquidity and demand of our stock." said Jacky Zhang, Executive Chairman and CEO of Beroni.

DTC is a subsidiary of the Depository Trust & Clearing Corp., a U.S. company that manages the electronic clearing and settlement of publicly traded companies. DTC eligibility permits shares of Beroni to be distributed, settled and serviced through DTC's automated processes, leveraging the efficiencies created through the electronic clearing and settlement of securities. DTC services provide cost benefits for investors and brokers trading Australian securities in the United States.
