ANNUAL REPORT - FOR THE YEAR ENDED 30TH JUNE 2021

## DIRECTORS' REPORT

Your directors present their report on the Company for the financial year ended 30 June 2021.

In order to comply with the provisions of the Corporations Act 2001, the directors report as follows:

### Directors

The names of directors in office at any time during or since the end of the year are:

- Kerry John Daly
- Mitchell David Dawney
- Giles Cameron Craig

### Company Secretary

Mitch Dawney and Kerry Daly act as joint company secretaries.

### Principal Activities

The principal activity of the Company during the financial year was investment in cash and securities (debt and equity). Our objective is to seek out and invest in securities that offer a superior risk-adjusted total return.

### Operating Results

The company made a net operating profit before income tax for the year of \$1,576,876 (2020: loss \$485,946).

### Dividends Paid or Recommended

No dividends have been paid since the date of incorporation and the directors do not recommend the payment of a dividend.

### Review of operations

During the year, the Company continued to invest in securities which are expected to provide superior risk adjusted returns.

Pre-tax NTA per share grew from 12.13c to 20.8c, a 71.4% gain (and recovering last year's loss). Since the current Board's appointment on 5 October 2018, pre-tax NTA per share (after all costs) has risen from 16c to 20.8c at 30 June 2021 (a compound annual growth rate of 10%).

The main contributors to the Company's performance were holdings in Tesserent Ltd, AF Legal Group Ltd, Thorn Group Ltd, Consolidated Financial Holdings Ltd, Benjamin Hornigold Ltd and Bowen Coking Coal Ltd.

As we mentioned in last year's report, the Board understands the company remains subscale and we are regularly seeking opportunities to grow the company's asset base, including raising capital and/or merging with other asset rich vehicles. During the year we acquired a ~15% stake in Benjamin Hornigold Ltd (BHD.ASX) as a conversation starter. The BHD Board's refusal to engage was disappointing and we have subsequently sold down some of our position.

The company issued 166,666 shares during the year, 83,333 each to our Non-Executive Directors in lieu of fees, increasing our shares on issue to 19,244,489.

### Post Balance Date Events

Shares held in 8IP Emerging Companies Ltd (8EC.ASX) were sold during mid-August 2021 for 50c per share off-market. We had revalued our 8EC investment to nil as its recoverable value was uncertain and the stock had been suspended for some time.

## CORPORATE GOVERNANCE STATEMENT

The Board has the responsibility of ensuring that the company is properly managed to protect and enhance shareholders' interests in a manner that is consistent with the company's responsibility to meet its obligations to all parties with which it interacts. To this end, the Board has adopted what it believes to be appropriate corporate governance policies and practices having regard to its size and nature of activities.

The main corporate governance policies are summarised below.

### Appointment and Retirement of Non-Executive Directors

It is the Board's policy to determine the terms and conditions relating to the appointment and retirement of non-executive directors on a case by case basis and in conformity with the requirements of the Listing Rules and the Corporations Act.

### Directors Access to Independent Professional Advice

It is the Board's policy that any committees established by the Board should:

- Be entitled to obtain independent professional or other advice at the cost of the Company, unless the Board determines otherwise.
- Be entitled to obtain such resources and information from the Company including direct access to employees of and advisers to the Company as they might require.
- Operate in accordance with the terms of reference established by the Board.

### Audit Committee

The Audit Committee meets with the external auditors at least once a year. This committee addresses the financial and compliance oversight responsibilities of the Board. The specific activities include assessing and monitoring:

- The adequacy of the Company's internal controls and procedures to ensure compliance with all applicable legal obligations.
- The adequacy of the financial risk management processes.
- The appointment of the external auditor, any reports prepared by the external auditor and liaising with the external auditor.

ANNUAL REPORT - FOR THE YEAR ENDED 30TH JUNE 2021

## REMUNERATION REPORT

### Remuneration policy

All issues in relation to remuneration of both executive directors and non-executive directors are dealt with by the Board.

The constitution of Dawney & Co Limited requires approval by the shareholders in general meetings of a maximum amount of remuneration per year to be allocated between Non-Executive Directors as they determine. In proposing the maximum amount for consideration in general meeting, and in determining the allocation, the Board takes account of the time demands made on Directors, together with such factors as the general level of fees paid to Directors. The amount of remuneration currently approved by shareholders for Non-Executive Directors is a maximum of \$200,000 per annum.

Non-Executive Directors hold office until such time as they retire, resign or are removed from office under the terms set out in the constitution of the Company.

Non-Executive Directors do not receive any performance-based remuneration.

Mr Dawney receives a base annual salary of \$125,000 p.a. plus superannuation, health insurance and a CBD carpark. He is also reimbursed for any out of pocket business related expenses. In addition to Mr Dawney's base a cash bonus pool will be created if the Net Tangible Assets per ordinary share increase by 15%pa on a pre-tax basis, in any one year. The Board of Directors will determine the cash bonus amount.

Mr Daly and Mr Craig both received \$15,000, paid in shares, for their services between 1 July 2020 and 30 June 2021.

### Details of remuneration for year ended 30 June 2020

The Company one executive director and two non-executive directors.

## NOTES TO THE FINANCIAL STATEMENTS

### NOTE 1: SIGNIFICANT ACCOUNTING POLICIES

#### Basis of Preparation of the Financial Statements

The financial statements are general purpose financial statements which have been prepared in accordance with the Corporations Act 2001 and Accounting Standards and Interpretations and comply with other requirements of the law.

Accounting Standards include Australian equivalents to International Financial Reporting Standards (A-IFRS). Compliance with A-IFRS ensures that the financial statements and notes of the company comply with International Financial Reporting Standards (IFRS).

All amounts are presented in Australian dollars unless otherwise noted.

The financial statements were authorised for issue by the directors on 7 September 2021.

#### Basis of Preparation

##### *Reporting Basis and Conventions*

##### *Adoption of new and revised Accounting Standards*

There were no new standards, interpretations or amendments to existing accounting standards adopted that are not mandatory for the year ended 30 June 2021.

The adoption of the various Australian Accounting Standards and Interpretations in issue but not yet effective will not impact the company's accounting policies. However, the pronouncements will result in changes to information currently disclosed in the financial statements. The company does not intend to adopt any of these pronouncements before their effective dates.

The financial statements are prepared using the valuation methods described below for holdings of securities. All other items have been treated in accordance with the historical cost convention.

##### (a) Financial Assets

The Financial Assets held by the company consist of securities acquired for the purpose of making a profit from their sale or disposal.

Increments and decrements on the value of securities are taken to profit or loss through the Statement of Profit or Loss and Other Comprehensive Income.

##### (b) Income from securities holdings

Distributions relating to listed securities are recognised as income when those securities are quoted on an ex- distribution basis and distributions relating to unlisted securities are recognised as income when received. If the distributions are capital returns on ordinary securities the amount of the distribution is treated as an adjustment.

##### (c) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, and other short-term highly liquid investments, which are subject to an insignificant risk of changes in value and have a maturity of three months or less at the date of acquisition.

##### (d) Taxation

The company adopts the liability method of tax-effect accounting where the income tax expense is based on the profit from ordinary activities adjusted for any non-assessable or disallowed items.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

DAWNEY & CO LIMITED

A.C.N. 138 270 201

ANNUAL REPORT - FOR THE YEAR ENDED 30TH JUNE 2021

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised, or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences and tax losses can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

(e) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the statement of cash flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(f) Financial instruments issued by the company

Debt and equity instruments are classified as either liabilities or as equity in accordance with substance of the contractual agreements. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all its liabilities. Equity instruments issued by the company are recorded as the proceeds received, net of direct issue costs.

(g) Share capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of ordinary shares and share options are recognised as a deduction from equity, net of any tax effects.

(h) Initial public offer costs

The costs incurred in the establishment of the Company and its subsequent public offerings have been charged directly against issued capital.

(i) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting used by the chief operating decision-maker. The Board has been identified as the chief operating decision-maker, as it is responsible for allocating resources and assessing performance of the operating segments.

(j) Critical Accounting Estimates and Judgements

The preparation of financial reports in conformity with AIFRS requires the use of certain critical accounting estimates. This requires the Board and management to exercise their judgement in the process of applying the Company's accounting policies.

The carrying amounts of certain assets and liabilities are often determined based on estimates and assumptions of future events.

There are no key assumptions or sources of estimation uncertainty that have a risk of causing a material adjustment to the carrying amounts of certain assets and liabilities within the next annual reporting period other than:

Deferred tax assets

As noted in Note 1(d), deferred tax assets are recognised to the extent it is probable that future taxable profits will be available against which temporary differences and tax losses can be utilised.

NOTE 18: FINANCIAL INSTRUMENTS

Financial Risk Management

Accounting Standards identify four types of risk associated with financial instruments (i.e. the Company's investments, receivables, payables and borrowings):

*Credit Risk*

This is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation.

Credit risk is managed as noted in the Notes to the financial statements with respect to cash and trade and other receivables. None of these assets are over-due or considered to be impaired.

*Liquidity Risk*

This is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities.

The Company monitors its cash-flow requirements and ensures that it has cash available which is sufficient to meet any payments.

*Market Risk*

This is the risk that the fair value or future cash flows of a financial asset will fluctuate because of changes in market price.

The Company seeks to minimise market risk by diversification of investments.

The Company does not have set parameters as to a minimum or maximum amount of the portfolio that can be invested in a single company or sector.

## ANNUAL REPORT - FOR THE YEAR ENDED 30TH JUNE 2021

### *Interest Rate Risk*

This is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates.

The Company currently has no borrowings and accordingly is not subject to interest rate risk.

### *Capital Management*

It is the Board's policy to maintain a strong capital base as to maintain investors and market confidence.

To achieve this, the Board monitors the Company's net tangible assets, its levels of borrowings and its investment performance.

The Company is not subject to any externally imposed capital requirements.

## NOTE 19: FAIR VALUE MEASUREMENTS

Financial assets and financial liabilities measured at fair value in the statement of financial position are grouped into three levels of a fair value hierarchy. The three levels are defined based on the observability of significant inputs to the measurement, as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly
- Level 3: unobservable inputs for the asset or liability.

The following table shows the levels within the hierarchy of financial assets and liabilities measured at fair value on a recurring basis:

## INDEPENDENT AUDITOR'S REPORT

### TO THE MEMBERS OF DAWNEY & CO LIMITED

#### Report on the Financial Report

#### Opinion

We have audited the accompanying financial report of Dawney & Co Limited (the company), which comprises the statement of financial position as at 30 June 2021, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the Directors' declaration.

- a) In our opinion the accompanying financial report of Dawney & Co Limited is in accordance with the Corporations Act 2001, including:
  - i) Giving a true and fair view of the Company's financial position as at 30 June 2021 and of its performance for the year ended on that date; and
  - ii) Complying with Australian Accounting Standards and the Corporations Regulations 2001.

#### Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Independence

We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independent Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial report of the current period.

This matter was addressed in the context of our audit of the financial report as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on this matter. For the matter below, our description of how our audit addressed the matter is provided in that context.

## Key Audit Matters (cont'd)

### 1. Valuation & Existence of Investment Portfolio

Why significant	How our audit addressed the key audit matter
<p>As at 30 June 2021, a significant proportion of the Company's assets (93%) comprised of investment securities. The fair value of financial assets is \$3,744,115 (2020: \$1,817,311) as disclosed in Note 8 of the financial report.</p> <p>All of these financial assets are listed securities classified as 'level 1' financial instruments in accordance with the classification under Australian Accounting Standards where quoted prices in active markets are available for identical assets.</p> <p>Refer to Note 1 for details of these assets' accounting policies and Notes 8 and 19 for their classification.</p> <p>Based on the above, we have considered the valuation and existence of financial assets to be a Key Audit Matter.</p>	<p>We performed substantive testing on a sample of financial assets. This included:</p> <ul style="list-style-type: none"> <li>• agreeing the quantity of securities held and recognised in the financial report to external independent trading registers;</li> <li>• confirming the fair values as at 30 June 2021 are reasonable. For level 1 financial assets, the values were agreed to the Australian Stock Exchange;</li> <li>• reviewing reconciliations prepared by management and supporting documentation to confirm market movements. This included agreeing the gain/loss incurred throughout the period to transaction reports; and</li> <li>• assessing the appropriateness of the related disclosures in Notes 1, 8 and 19.</li> </ul>

## Other Information

The Directors are responsible for the other information. The other information comprises the information included in the company's Annual Report for the year ended 30 June 2021 but does not include the financial report and our auditor's report thereon. Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Directors' Responsibilities for the Financial Report

The Directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the Directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Directors are responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the entity or to cease operations, or have no realistic alternative but to do so.

## Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individual or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial report of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on the Remuneration Report

### Opinion

We have audited the Remuneration Report included in the Directors' report for the year ended 30 June 2021.

In our opinion, the Remuneration Report of Dawney & Co Limited for the year ended 30 June 2021, complies with section 300A of the Corporations Act 2001.

### Responsibilities

The Directors of the Company are responsible for the preparation and presentation of the Remuneration Report in accordance with section 300A of the Corporations Act 2001. Our responsibility is to express an opinion on the Remuneration Report, based on our audit conducted in accordance with Australian Auditing Standards.
