Basic Earnings Per Share (Sen)	0.53	1.58	-	-	-

CORPORATE GOVERNANCE

This statement summarises the main corporate governance practices of Arris Holdings Berhad.

The Board of Directors is primarily responsible for creating, protecting and delivering long term shareholder value. This is achieved through the application of appropriate corporate governance policies and procedures relevant to the size of the Group and the scale of its operations. The Directors are committed to maintain a Board that is highly skilled, experienced and capable of fulfilling its obligations.

The Company currently has in place various corporate governance policies and charters, as described below and which are available in a dedicated corporate governance section of the Company's website.

Principle 1 - Lay Solid Foundations For Management And Oversight

1. Board and management functions

The roles and responsibilities of the Board and management are set out in the Board Charter, which will be available on the Company's website.

The Board of Directors is responsible for the corporate governance of the Group and operates in accordance with the principles set out in the Board Charter.

The Board Charter also provides for the Company's statement of delegated authority to set out the Company's policy relevant to the delegation of authority to management to conduct the day to day management of the Company.

The Company recognises that the roles and functions of the Board must necessarily be flexible to deliver the Company's objectives.

2. Electing or re-electing a director

The process of appointment and re-election is set out in the Board Charter. The Company will undertake appropriate checks before appointing a person, or putting forward to shareholders a candidate for election as a director. The Board will provide shareholders with all material information in the possession of the company to enable shareholders to make an informed decision on the appointment and re-election of directors.

3. Director and senior executive agreements

The Company has a written agreement with each director and senior executive setting out the terms of their appointment.

4. Company secretary

The Company secretary is appointed and removed by the Board and reports to, and is directly accountable to, the Board, through the Chair, on all matters to do with the proper functioning of the Board.

CORPORATE GOVERNANCE (Continued)

Principle 1 - Lay Solid Foundations For Management And Oversight (Continued)

5. Diversity policy

The Company does not currently have a diversity policy but is committed to developing a business model that values and achieves diversity on its workforce and on its Board. The company intends to develop a diversity policy which will be announced to NSX is due course and will be made available on the Company's website. Management will monitor and report to the Board in the Company's progress on the development of its diversity policy.

6. Performance evaluation

The Board is responsible for the evaluation and review of the performance of the Board and its committees (if any) and Senior Executives.

The Chair is primarily responsible for the evaluation and review of the performance of individual non-executive directors. The Chair should disclose the process for evaluating the performance of those directors.

The Board (other than the Chair) is responsible for the evaluation and review of the performance of the Chair and review of the effectiveness and program of Board meetings. The process of the performance evaluation of the Board, its committees (if any), directors and senior executives, generally involves an internal review. From time to time as the Company's needs and circumstances require, the Board may commission an external review of the Board, and its composition.

Principle 2 - Structure The Board To Add Value

1. Nomination committee and board skills matrix

The Company believes it is not of a size to justify a Nomination Committee. If vacancies arise on the Board, all directors are involved in search and recruitment. The Board seeks to achieve a balance of entrepreneurial, capital markets, technical, operational, commercial and financial skills from the resources industry and broader business backgrounds. The Board will establish a skills matrix setting out the mix of skills and diversity that the Board currently has or is seeking to acquire.

2. Independence of directors

The Board comprises two executive directors (Mr. Lim Hock Loh and Ms. Por Yan Chew) and one non-executive director (Dato' Lawrence Teo). The executive directors are substantial shareholders of the Company and are not considered to be independent directors in terms of the ASX Corporate Governance Council's discussion of independent status. Despite this relationship, the Board believes that Mr. Lim Hock Loh and Ms. Por Yan Chew are able and will make quality and independent judgments in the best interests of the Company on all relevant issues before the Board. Dato' Lawrence Teo is considered to be non-independent directors in terms of the ASX Corporate Governance Council's discussion of independent status.

The Chair is a non-executive director and the roles of Chair and Chief Executive Officer are exercised by different individuals.

CORPORATE GOVERNANCE (Continued)

Principle 2 - Structure The Board To Add Value (Continued)

2. Independence of directors (Continued)

Directors are entitled to seek independent professional advice at the Company's expense in the furtherance of their duties. Under the Company's M&A, no director except the Managing Director may hold office for a period in excess of three years or beyond the third annual general meeting following the director's election without being submitted for re-election. At every annual general meeting one third of the Directors or the number nearest to but not exceeding one third must retire from office and are eligible for re-election.

3. Director induction and development

Induction, training and continuing education arrangements are the subject of the terms and conditions of the appointment of members to the Board. The requirement for the Board to implement an appropriate induction and education process for new Board appointees and Senior Executives is set out in the Board Charter on the Company's website.

The process is designed to enable Board appointees and Senior Executives to gain a better understanding of the Company's financial, strategic, operational and risk management position; the rights, duties and responsibilities of the directors; the roles and responsibilities of Senior Executives; and the role of Board committees (if any).

Principle 3 - Act Ethically And Responsibly

1. Code of conduct

The Board has adopted a formal Code of Conduct to promote lawful, ethical and responsible decision-making by directors, management and employees. The Code promotes compliance with laws and regulation and avoidance of conflicts of interest, embraces the values of honesty, integrity, enterprise, excellence, accountability, justice, independence and equality of stakeholder opportunity. The Code of Conduct will be available on the Company's website.

Policy for trading in Company's securities The Board has adopted a policy on trading in the Company's securities by directors, senior executives and employees which raises awareness of the law in relation to insider trading, specifies blackout periods and provides notification protocols. The trading policy will be available on the Company's website.

Principle 4 - Safeguard Integrity In Corporate Reporting

1. Audit committee

The Company does not currently have an Audit Committee. The Board considers that the formation of an Audit Committee is not warranted at this time given the stage of the Company's development.

The Board will at some time consider forming an Audit Committee if the size of the Board increases and efficiencies may be derived from a formal committee structure.

CORPORATE GOVERNANCE (Continued)

Principle 4 - Safeguard Integrity In Corporate Reporting

2. Financial statements

The Board as a whole acts as the Audit Committee and performs the functions thereof including the making sure that the financial records of the Company have been properly maintained and that the Company's financial statements comply with accounting standards and present a true and fair view of the Company's financial condition and operational results. This statement is required annually.

3. Auditor attendance at AGM

The opportunity for shareholders to question a listed entity's external auditor at the AGM is an important safeguard for the integrity of the corporate reporting process. For companies incorporated in Australia, such opportunity is provided by sections 250PA, 250RA and 250T of the Corporations Act. As the Company is established outside Australia, it is not subject to the provisions of the Corporations Act and there are no equivalent provisions under the law of its home jurisdiction. The Company will however make a representative of the auditor available at its AGM to enable shareholders to ask questions relevant to the audit.

Principle 5 - Make Timely And Balanced Disclosure

1. Continuous disclosure policy

The Board places a strong emphasis on full and appropriate disclosure and has adopted a Continuous Disclosure Policy to ensure timely and accurate disclosure of price-sensitive information to shareholders through the lodgement of announcements with NSX. Clear procedures govern the preparation, review and approval of all announcements. The Company's Continuous Disclosure Policy will be available on its website.

Principle 6 - Respect The Rights Of Security Holders

1. Communications policy

The Company is committed to open and accessible communication with its shareholders, employees, customers and other stakeholders. The Company will publish all relevant announcements on its website after NSX has acknowledged that the announcements have been released. The Continuous Disclosure Policy can be found on the Company's website. Subject to NSX disclosure rules, the Company communicates regularly with shareholders, brokers and analysts and will publish the information on its website.

2. Investor relations

The Board is responsible for the communication strategy to promote effective communications with investors and to encourage effective participation at general meetings. The Company adheres to best practice in its preparation of Notices of Meetings and through its share registry offers to members the option of receiving shareholder communications electronically.

CORPORATE GOVERNANCE (Continued)

Principle 7 - Recognise And Manage Risk

1. Risk management

The Board is committed to ensuring that the risks associated with the Company's business activities are properly identified, monitored and managed and to embedding in its management and reporting systems a number of risk management controls. Operational management regularly reviews the risks and controls and updates the Board in light of changing circumstances and emergent risk factors and weightings.

The Board considers that the Company is not of a size sufficient to warrant the establishment of an internal audit function or a risk management committee. The Company does however employ appropriate processes for continually improving the effectiveness of risk management and internal control processes.

The Chief Executive Officer is required to provide a declaration in writing to the Board as to whether the declaration in accordance with section 295A of the Corporations Act is founded on a sound system of internal control and that the system is operating effectively in all material respects in relation to financial risks.

Principle 8 - Remunerate Fairly And Responsibly

1. Remuneration committee

The Directors consider the current size of the Board does not warrant the establishment of a separate Remuneration Committee. However, the Board will at some time consider forming a Remuneration Committee if the size of the Board increases and efficiencies may be derived from a formal committee structure. Nonetheless the Board is committed to ensuring that the principles of fair and responsible remuneration govern its operations.

There are no schemes for retirement benefits, other than superannuation, for non-executive directors.

DIRECTORS' REPORT

The directors hereby submit their annual report together with the audited financial statements of the Group and of the Company for the financial year ended 30 June 2022.

PRINCIPAL ACTIVITY

The Company is principally engaged in the business of investment holding.

There have been no significant changes in the nature of this activity during the financial year.

The principal activities and other details of the Subsidiaries are disclosed in Note 7 to the financial statements.

RESULTS

	Group RM	Company RM
Profit/(Loss) for the financial year	<u>402,868</u>	<u>(86,444)</u>
Attributable to:-		
Non-controlling interests	1,433	-
Owners of the Company	<u>401,435</u>	<u>(86,444)</u>
Profit/(Loss) for the financial year	<u>402,868</u>	<u>(86,444)</u>

DIVIDENDS

No dividends were paid or declared since the end of the previous financial year and the directors do not recommend the payment of dividends for the current financial year.

RESERVES AND PROVISIONS

There were no material transfers to or from reserves or provisions during the financial year other than those disclosed in the financial statements.

ISSUE OF SHARES AND DEBENTURES

There were no issuances of shares and debentures by the Company during the financial year.

SHARE OPTIONS

No options have been granted by the Company to any parties during the financial year to take up unissued shares of the Company.

DIRECTORS' REPORT (Continued)**DIRECTORS**

The directors of the Company in office at any time during the financial year or since the end of the financial year are:

Dato' Teo Chee Hong
Chew Por Yan
Loh Lim Hock

DIRECTORS' INTERESTS

According to the register of directors' shareholdings, the interests of directors holding office at the end of the financial year in shares of the Company during the financial year are as follows:-

	Number of ordinary shares		
	At 1.7.2021	Acquired/ (Disposed)	At 30.6.2022
<i>Direct Interests</i>			
Dato' Teo Chee Hong	3,755,727	53,000	3,808,727
Chew Por Yan	29,206,663	-	29,206,663
Loh Lim Hock	23,896,206	-	23,896,206

DIRECTORS' BENEFITS

During and at the end of the financial year, no arrangements subsisted to which the Company is a party, with the object or objects of enabling directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other body corporate.

Since the end of the previous financial period, no director has received or become entitled to receive a benefit (other than a benefit included in the aggregate amount of emoluments received or due and receivable by the directors shown in the financial statements or the fixed salary of a full-time employee of the Company) by reason of a contract made by the Company or a related corporation with the director or with a firm of which the director is a member, or with a company in which the director has a substantial financial interest.

DIRECTORS' REMUNERATION

The amounts of the remuneration of the directors of the Group and the Company comprising remuneration received from the Group and the Company during the financial year are as follows:

	Group/Company	
	2022 RM	2021 RM
Fees	<u>36,000</u>	<u>12,000</u>

INDEMNIFYING DIRECTORS, OFFICERS OR AUDITORS

No indemnities have been given or insurance premiums paid, during or since the end of the financial year, for any person who is or has been the director, officer or auditor of the Company.

DIRECTORS' REPORT (Continued)**OTHER STATUTORY INFORMATION**

Before the financial statements of the Group and of the Company were made out, the directors took reasonable steps to ascertain that:

- (a) all known bad debts have been written off and adequate allowance made for doubtful debts; and
- (b) any current assets which were unlikely to be realised in the ordinary course of business have been written down to an amount which they might be expected so to realise.

At the date of this report, the directors are not aware of any circumstances:

- (a) that would render the amount written off for bad debts, or the amount of the allowance for doubtful debts, in the Group and in the Company inadequate to any substantial extent; or
- (b) that would render the value attributed to the current assets in the Group and in the Company financial statements misleading; or
- (c) which have arisen which render adherence to the existing method of valuation of assets or liabilities of the Group and of the Company misleading or inappropriate; or
- (d) not otherwise dealt with in this report or the financial statements, that would render any amount stated in the financial statements of the Group and of the Company misleading.

At the date of this report, there does not exist:

- (a) any charge on the assets of the Group and of the Company that has arisen since the end of the financial year which secures the liabilities of any other person; or
- (b) any contingent liability in respect of the Group and of the Company that has arisen since the end of the financial year.

No contingent liability or other liability of the Group and of the Company has become enforceable, or is likely to become enforceable within the period of twelve months after the financial period which, in the opinion of the directors, will or may substantially affect the ability of the Group and of the Company to meet its obligation as and when they fall due.

In the opinion of the directors, the financial performance of the Group and of the Company for the financial year ended 30 June 2022 have not been substantially affected by any items, transaction or event of a material and unusual nature nor has any such item, transaction occurred in the interval between the end of that financial period and the date of this report.

ASSOCIATES

The principal activities and other details of the Associates are disclosed in Note 8 to the financial statements.

SUBSIDIARIES

The details of the Company's subsidiaries are disclosed in Note 7 to the financial statements.

The auditors' reports on the financial statements of the subsidiaries did not contain any qualification.

DIRECTORS' REPORT (Continued)**SIGNIFICANT EVENT DURING THE FINANCIAL YEAR END**

The significant event during the financial year is disclosed in Note 28 to the financial statements.

AUDITORS' REMUNERATION

Total amounts paid to or receivable by the auditors as remuneration for their services as auditors are as follows:

	Group		Company	
	2022	2021	2022	2021
	RM	RM	RM	RM
Auditors' remuneration				
- audit fees	9,800	15,690	3,000	3,000
- under provision in prior financial year	<u>2,000</u>	<u>-</u>	<u>2,000</u>	<u>-</u>
	<u><u>11,800</u></u>	<u><u>15,690</u></u>	<u><u>5,000</u></u>	<u><u>3,000</u></u>

AUDITORS

The auditors, Messrs. A. D. Chun & Co., Chartered Accountants (Malaysia) have expressed their willingness to continue in office.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
ARRIS HOLDINGS BERHAD**

Registration No.: 201501013383 (1138715-H)
(Incorporated in Malaysia)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of ARRIS HOLDINGS BERHAD, which comprise the statements of financial position as at 30 June 2022 of the Group and of the Company, and the statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year ended 30 June 2022, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 17 to 63.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Company as at 30 June 2022, and of its financial performance and its cash flows for the financial year ended 30 June 2022, in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia.

Basis for Opinion

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence and Other Ethical Responsibilities

We are independent of the Group and the Company in accordance with the *By-Laws (on Professional Ethics, Conduct and Practice)* of the Malaysian Institute of Accountants ("By-Laws") and the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants* (including International Independence Standards) ("IESBA Code"), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

Information Other than the Financial Statements and Auditors' Report Thereon

The Directors of the Company are responsible for the other information. The other information comprises the information included in Directors' Report but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the Directors' Report and we do not express any form of assurance conclusion thereon.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
ARRIS HOLDINGS BERHAD**

Registration No.: 201501013383 (1138715-H)
(Incorporated in Malaysia)

Information Other than the Financial Statements and Auditors' Report Thereon (continued)

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the Directors' Report and, in doing so, consider whether the Directors' Report is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of the Directors' Report, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Directors for the Financial Statements

The Directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with Malaysian Financial Reporting Standards, International Financial Reporting Standards and the requirements of the Companies Act, 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the Group's and the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
ARRIS HOLDINGS BERHAD**

Registration No.: 201501013383 (1138715-H)
(Incorporated in Malaysia)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's and the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group's or the Company's to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that give a true and fair view.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF
ARRIS HOLDINGS BERHAD**

(Incorporated in Malaysia)

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

As part of an audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing, we exercise professional judgement and maintain professional scepticism throughout the audit. We also (continued):

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and the Company to express an opinion on the financial statements of the Group and the Company. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matters

This report is made solely to the members of the Company, as a body, in accordance with Section 266 of the Companies Act, 2016 in Malaysia and for no other purpose. We do not assume responsibility to any other person for the content of this report.

NOTES TO THE FINANCIAL STATEMENTS

AS AT 30 JUNE 2022

1. BASIS OF PREPARATION

The financial statements of the Group and of the Company have been prepared in accordance with Malaysian Financial Reporting Standards (“MFRS”) issued by the Malaysian Accounting Standards Board (“the MASB”), International Financial Reporting Standards and the requirements of the Companies Act 2016 in Malaysia.

The financial statements of the Group and of the Company have been prepared under the historical cost convention unless otherwise stated in the summary of significant accounting policies.

The financial statements of the Group and the Company are presented in Ringgit Malaysia (“RM”), which is also the Group’s and the Company’s functional currency.

2. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of consolidation

(i) Subsidiaries

Subsidiaries are entities, including special purpose entity, controlled by the Company. The financial statements of subsidiaries are included in consolidated financial statements from the date that control commences until the date that control ceases.

Investments in subsidiaries are measured in the Company’s statement of financial position at cost less any impairment losses. The cost of investment includes transaction cost.

(ii) Associates

The Group and the Company recognises an associate based on the criterion of significant influence. Significant influence exists when the Company has the power to participate in the financial and operating policy decisions of the investee but has no control or joint control of those policies. This is normally (though not necessarily) accomplished when the Group and the Company, directly or indirectly through associates, holds 20 per cent, or more of the voting rights of the investee. When the Group’s and the Company’s voting rights in investee are less than 20 per cent, the Group and the Company assesses of potential voting rights that are substantive, representation on the board of directors, participation in policy making processes, material transactions between the Group and the Company and the investee, interchange of managerial personnel and provision of essential technical information.

The Group and the Company may sometimes hold an insignificant equity interest in investee to cement a trading relationship and is represented on the board of the directors of the investee. If the Group’s and the Company’s representation on the board of directors is solely for the purpose of protecting the value of the investment rather than participation in the policy decisions, the investee is not classified as an associate.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(a) Basis of consolidation (Continued)

(iii) Business combination

Business combinations are accounted for by applying the purchase method from the acquisition date, which is the date on which the Group obtains control of the acquire. The cost of business combination is aggregate of the fair values, at the date of exchange, of assets given, liabilities incurred or assumed, and equity instruments issued by the acquirer, in exchange for control of the acquire, and any costs directly attributable to the business combination.

When the cost of the business is in excess of the Group's interest in the net fair value of the identifiable asset, liabilities and contingent liabilities recognised, the excess recognised as goodwill. When the excess is negative, a bargain purchase gain is recognised immediately in profit and loss.

The non-controlling interest in the acquiree is measured at the proportionate share of the acquiree's identifiable net assets at the acquisition date.

(iv) Acquisition of non-controlling interests

The Group accounts all changes in its ownership interest in a subsidiary that do not result in a loss of control as equity transactions between the Group and its non-controlling interest holders. Any difference between the Group's share net assets before and after the change, and any consideration received or paid, is adjusted to or against Group reserves.

(v) Loss of control

Upon the loss of control of a subsidiary, the Group recognises the difference between proceeds from the disposal of the subsidiary and its carrying amounts as of the date of disposal. If the Group retains any interest in the former subsidiary, that investment is accounted for as a financial asset from the date the entity ceases to be a subsidiary, provided that it does not become an associate or a jointly controlled entity. The carrying amount of the investment at the date that the entity ceases to be a subsidiary is regarded as the cost on initial measurement of the financial asset.

(vi) Non-controlling interests

Non-controlling interests at the end of the reporting period, being the equity in a subsidiary not attributable directly or indirectly to the equity holder of the Company, are presented in the consolidated statement of the financial position within equity, separately from equity attributable to the owners of the Company. Non-controlling interests in the results of the Group is presented in the consolidated statement of profit or loss and other comprehensive income as an allocation of the profit or loss and the comprehensive income for the financial year between non-controlling interests and owners of the Company.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(a) Basis of consolidation (Continued)

(vi) Non-controlling interests (Continued)

Losses applicable to the non-controlling interests in a subsidiary are allocated to the non-controlling interests even if doing so causes the non-controlling interests to have deficit balance.

(vii) Transaction eliminated on consolidated

Intra-group balances and transactions, including income, expenses and dividends, are eliminated in full in preparing the consolidated financial statements.

Unrealised profits and losses arising from the transactions with equity-accounted associates and jointly controlled entities are eliminated against the investment to the extent that there is evidence of an impairment of the asset transferred.

(b) Goodwill

Goodwill is measured at cost less accumulated impairment losses, if any. The carrying value of goodwill is reviewed for impairment annually or more frequently if events or changes in circumstances indicate that the carrying amount may be impaired. The impairment value of goodwill is recognised immediately in profit or loss. An impairment loss recognised for goodwill is not reversed in a subsequent period.

Under the acquisition method, any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interests recognised and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities at the date of acquisition is recorded as goodwill.

Where the latter amount exceeds the former, after reassessment, the excess represents a bargain purchase gain and is recognised in profit or loss immediately.

In respect of equity-accounted associates, the carrying amount of goodwill is included in the carrying amount of the investment and an impairment loss on such an investment is not allocated to any asset, including goodwill that forms part of the carrying amount of the equity-accounted associates.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Functional and foreign currencies

(i) Functional and presentation currency

The individual financial statements of each entity in the Group and the Company are presented in the currency of the primary economic environment in which the entity operates, which is the functional currency.

The consolidated financial statements are presented in Ringgit Malaysia ("RM"), which is the Group's and the Company's functional and presentation currency and has been rounded to the nearest thousand, unless otherwise stated.

(ii) Foreign currency transactions and balances

Transactions in foreign currencies are converted into the respective functional currencies on initial recognition, using the exchange rates at the transaction dates. Monetary assets and liabilities at the end of the reporting period are translated at the exchange rates ruling as of that date. Non-monetary assets and liabilities are translated using exchange rates that existed when the values were determined. All exchange differences are recognised in profit or loss.

(iii) Foreign operations

Assets and liabilities of foreign operations (including any goodwill and fair value adjustments arising on acquisition) are translated to the Group's presentation currency at the exchange rates at the end of the reporting period. Income, expenses and other comprehensive income of foreign operations are translated at exchange rates at the dates of the transactions. All exchange differences arising from translation are taken directly to other comprehensive income and accumulated in equity; attributed to the owners of the Company and non-controlling interests, as appropriate.

Goodwill and fair value adjustments arising from the acquisition of foreign operations are treated as assets and liabilities of the foreign operations and are recorded in the functional currency of the foreign operations and translated at the closing rate at the end of the reporting period.

On the disposal of a foreign operation (i.e. a disposal of the Group's entire interest in a foreign subsidiary, or a partial disposal involving loss of control over a subsidiary that includes a foreign operation, or a partial disposal of an interest in an associate and joint ventures that includes a foreign operation of which the retained interest becomes a financial asset), all of the exchange differences accumulated in equity in respect of that foreign operation attributable to the owners of the Company are reclassified to profit or loss as part of the gain or loss on disposal. The portion that related to non-controlling interests is derecognised but is not reclassified to profit or loss.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Functional and foreign currencies (Continued)

(iii) Foreign operations (Continued)

In addition, in relation to a partial disposal of a subsidiary that does not result in the Group losing control over the subsidiary, the proportionate share of accumulated exchange differences are reattributed to non-controlling interests and are not recognised in profit or loss. When the Group disposes of only part of its investment in an associate and joint venture that includes a foreign operation while retaining significant influence and joint control, the proportionate share of the accumulative exchange differences is reclassified to profit or loss.

In the consolidated financial statements, when settlement of an intragroup loan is neither planned nor likely to occur in the foreseeable future, the exchange differences arising from translating such monetary item are considered to form part of a net investment in the foreign operation and are recognised in other comprehensive income.

(d) Property, plant and equipment

All property, plant and equipment are subsequently measured at cost less accumulated depreciation and accumulated impairment losses.

All property, plant and equipment are depreciated by allocating the depreciable amount of a significant component or of an item over the remaining useful life. The depreciation methods used and the useful lives of the respective classes of property, plant and equipment are as follows:

	<u>Method</u>	<u>Useful life (years)</u>
Air conditioner	Straight line	10
Computer	Straight line	2.5
Furniture and fittings	Straight line	10
Office equipment	Straight line	5
Renovation	Straight line	10

At the end of each reporting period, the residual values, useful lives and depreciation methods for the property, plant and equipment are reviewed for reasonableness. Any change in estimate of an item is adjusted prospectively over its remaining useful life, commencing in the current period.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(e) Investments

Investment in unquoted shares is stated at cost less accumulated impairment losses, if any.

Other investments, including investments in subsidiary and associates company, which are held for long term, are stated at cost and are not written down unless, the directors are of the opinion that there is a permanent diminution in value in which case provision is made for the diminution in value of this investment.

(f) Intangible assets

Expenditure incurred on research activities and internally generated goodwill is recognised in profit or loss as and when it is incurred.

An internally generated intangible asset is recognised only if the item is identifiable, and it is probable that the expected future economic benefits will flow to the entity, and the cost can be measured reliably.

Other intangible assets with finite useful lives are stated at cost less accumulated amortisation and accumulated impairment losses, if any. Other intangible assets are amortised on a straight-line method over their estimated useful lives, as follows:

	<u>Useful life</u>
Branding	5 years
Computer database	5 years

(g) Receivables

Most sales are made on the basis of normal credit terms, and the receivables do not bear interest. Where credit is extended beyond normal credit terms, receivables are measured at amortised cost using the effective interest method. At the end of each reporting period, the carrying amounts of receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in profit or loss.

(h) Net assets attributable to unitholders

The units are classified as financial liabilities as the Fund is required to distribute its distributable income. The units can be put back to the Fund at any time for cash based on the redemption price, which is equal to a proportionate share of the Fund's net asset value attributable to the unitholders. The units are carried at the redemption amount that is payable at balance sheet date if the holder exercises the right to put the unit back to the Fund.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(i) Cash and cash equivalents

Cash and cash equivalents consist of cash in hand and bank balances which have an insignificant risk of changes in fair value with original maturities of three months or less, and used by the Group and the Company in the management of their short-term commitments.

(j) Provisions

Provisions are recognised when there is a present obligation, legal or constructive, as a result of past event, when it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

A provision is measured at the present value of the expenditures expected to be required to settle the obligation using a discount rate that reflects the time value of money and the risk that the actual outcome might differ from the estimate made. the unwinding of the discount is recognised as an interest expense.

(k) Liabilities

Payables are stated at cost, which is the fair value of the consideration to be paid in the future for goods and services received. Borrowings are interest-bearing and are recorded at the amount of proceeds received, net of transaction costs.

(l) Investment in subsidiaries

As required by the Companies Act 2016, the Company prepares separate financial statements in addition to the consolidated financial statements. In the separate financial statements of the Company, investment in subsidiaries are stated at cost less impairment losses, if any.

(m) Contributed share capital

Ordinary shares are recorded at the proceeds received, net of directly attributable incremental transaction costs. Ordinary shares are classified as equity.

Dividends to equity holders are recognised in the statements of changes in equity in the financial year in which they are paid or declared. Dividends on ordinary shares are recognised as liabilities when declared.

Redeemable preference shares issued are classified as equity as the preference shares bear no predetermined dividend rate and are redeemable at the discretion of the Board of Directors. The dividend on these preference shares are recognised in the statements of changes in equity in the financial year in which they are paid or declared.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(n) Related parties

A party is related to an entity if:

- (i) Directly, or indirectly through one or more intermediaries, the party:
 - (a) Controls, is controlled by, or is under common control with, the entity (this includes parents, subsidiaries and fellow subsidiaries);
 - (b) Has an interest in the entity that gives it significant influence over the entity; or
 - (c) Has joint control over the entity;
- (ii) the party is an associate of the entity;
- (iii) the party is a joint venture in which the entity is a venturer;
- (iv) the party is a member of the key management personnel of the entity or its parent;
- (v) the party is a close member of the family of any individual referred to in (i) or (iv);
- (vi) the party is an entity that is controlled, jointly controlled or significantly influenced by, or for which significant voting power in such entity resides with, directly or indirectly, any individual referred to in (iv) or (v); or
- (vii) the party is a post-employment benefit plan for the benefit of employees of the entity, or of any entity that is a related party of the entity.

Close members of the family of an individual are those family members who may be expected to influence, or be influenced by, that individual in their dealings with the entity.

(o) Revenue recognition

Revenue from contracts with customers is recognised by reference to each distinct performance obligation in the contract with customer. Revenue from contracts with customers is measured at its transaction price, being the amount of consideration which the Group and the Company expects to be entitled in exchange for transferring promised goods or services to a customer, net of sales and service tax, returns, rebates and discounts.

The Group and the Company recognises revenue when (or as) it transfers control over a product or service to customer. An asset is transferred when (or as) the customer obtains control of the asset.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(o) Revenue recognition (Continued)

Depending on the substance of the contract, revenue is recognised when the performance obligation is satisfied, which may be at a point in time or over time.

The Group and the Company transfers control of a good or service at a point in time unless one of the following overtime criteria is met:

- (i) The customer simultaneously receives and consumes the benefits provided as the Group and the Company performs;
- (ii) The Group's and the Company's performance create or enhance an asset that the customer controls as the asset is created or enhanced; or
- (iii) The Group's and the Company's performances do not create an asset with an alternative use and the Group and the Company have an enforceable right to payment for performance completed to date.

Rendering of services

Revenue from services is recognised in the reporting period in which the services are rendered, which simultaneously received and consumes the benefits provided by the Group and the Company, and the Group and the Company has a present right to payment for the services.

(p) Income taxes

Current tax

Tax expense represents the aggregate amount of current and deferred tax. Current tax is the expected amount payable in respect of taxable income for the financial year, using tax rates enacted or substantively enacted by the reporting date and any adjustments recognised for prior years' tax. When an item is recognised outside profit or loss, the related tax effect is recognised either in other comprehensive income or directly in equity.

(q) Short term employee benefits

Short-term employee benefit obligations in respect of salaries, annual bonuses, paid annual leave and sick leave are measured on an undiscounted basis and are expensed as the related service is provided.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Financial instruments

Unless specifically disclosed below, the Group and the Company generally applied the following accounting policies retrospectively.

(i) Initial recognition and measurement

Financial assets or financial liabilities are recognised in the statements of financial position when, and only when, the Group and the Company becomes a party to the contractual provisions of the instrument.

A financial assets (unless it is a trade receivable without significant financing component) or a financial liabilities is initially measured at fair value plus or minus, for an item not at fair value through profit or loss, transaction costs that are directly attributable to its acquisition or issuance. A trade receivable without a significant financing component is initially measured at the transaction price.

An embedded derivative is recognised separately from the host contract where the host contract is not a financial asset, and accounted for separately if, and only if, the derivative is not closely related to the economic characteristics and risks of the host contract and the host contract is not measured at fair value through profit or loss. The host contract, in the event an embedded derivative is recognised separately, is accounted for in accordance with policy applicable to the nature of the host contract.

The Group and the Company categorise financial instruments as follows:

Financial assets

Categories of financial assets are determined on initial recognition and are not reclassified subsequent to their initial recognition unless the Group and the Company changes its business model for managing financial assets in which case all affected financial assets are reclassified on the first day of the first reporting period following the change of the business model.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Financial instruments (Continued)

(ii) Financial instrument categories and subsequent measurement

Financial assets

Amortised cost

Amortised cost category comprises financial assets that are held within a business model whose objective is to hold assets to collect contractual cash flows and its contractual terms give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The financial assets are not designated as fair value through profit or loss. Subsequent to initial recognition, these financial assets are measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss.

Any gain or loss on derecognition is recognised in profit or loss.

Interest income is recognised by applying effective interest rate to the gross carrying amount except for credit impaired financial assets where the effective interest rate is applied to the amortised cost.

The Group and the Company categorise financial instruments as follows:

Financial liabilities

The category of financial liabilities at initial recognition is as follows:

Amortised cost

Other financial liabilities not categorised as fair value through profit or loss is subsequently measured at amortised cost using the effective interest method.

Foreign exchange gains and losses are recognised in the profit or loss. Any gains or losses on derecognition are also recognised in the profit or loss.

(iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the statements of financial position when, and only when, the Group and the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and liability simultaneously.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)

(r) Financial instruments (Continued)

(iv) Derecognition

A financial asset or part of it is derecognised when, and only when the contractual rights to the cash flows from the financial asset expire or control of the asset is not retained or substantially all of the risk and rewards of ownership of the financial assets are transferred to another party. On derecognition of a financial asset, the difference between the carrying amount and the sum of the consideration received (including any new asset obtained less any new liability assumed) and any cumulative gain or loss that had been recognised in equity is recognised in profit or loss.

A financial liability or a part of it is derecognised when, and only when, the obligation specified in the contract is discharged or cancelled or expires. On derecognition of a financial liability, the difference between the carrying amount of the financial liability extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss.

(s) Impairment

(i) Financial assets

At each reporting date, the Group and the Company recognise a loss allowance for expected credit losses on a financial asset measured at amortised cost. The loss allowance is measured at an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition. If the credit risk has not increased significantly since initial recognition, the loss allowance is measured at an amount equal to 12-month expected credit losses. Any adjustment to the loss allowance is recognised in profit or loss as an impairment gain or loss.

Irrespective of whether there is any significant increase in credit risk since initial recognition, the loss allowance for trade receivables is always measured at an amount equal to lifetime expected credit losses using the simplified approach in accordance with MFRS 9 *Financial Instruments*. Such lifetime expected credit losses are calculated using a provision matrix based on historical credit loss experience and adjusted for reasonable and supportable forward-looking information that is available without undue cost or effort.

The expected credit losses for a credit-impaired financial asset are measured as the difference between the asset's gross carrying amount and the present value of estimated future cash flows discounted at the asset's original effective interest rate. The gross carrying amount of a credit-impaired financial asset is directly written off when there is no reasonable expectation of recovery.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
AS AT 30 JUNE 2022

2. SIGNIFICANT ACCOUNTING POLICIES (Continued)**(s) Impairment** (Continued)**(ii) Non-financial assets**

The carrying amounts of the other assets (except for inventories and deferred tax asset) are reviewed at each reporting period to determine whether there is any indication of impairment.

Is any such indication exist, and then the asset's recoverable amount is estimated. For the purpose of impairment testing, assets are grouped together into smallest group of assets that generates cash flows from continuing use that are largely independent of the cash inflows of other assets or groups of assets. (the "cash-generating unit").

The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

Impairment losses are recognised in profit or loss.

In respect of non-financial assets, impairment losses recognised in prior periods are at assessed at each reporting period for any indications that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount since the last impairment loss was recognised. An impairment loss is reversed only to the extent that the asset's carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss has been recognised. Reversals of impairment losses are credited to profit or loss in the year in which the reversals are recognised.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

3. CHANGE IN ACCOUNTING POLICIES

(a) Adoption of MFRS and Amendments to MFRSs during the Current Financial Year

On 1 January 2020, the Group and the Company adopted the following pronouncements mandatory for annual financial periods beginning on or after 1 January 2020:

-) Amendments to MFRS 7: Financial Instruments: Disclosure (Interest Rate Benchmark Reform)
-) Amendments to MFRS 9: Financial Instruments (Interest Rate Benchmark Reform)
-) Amendments to MFRS 101: Presentation of Financial Statements (Definition of Material)
-) Amendments to MFRS 108: Accounting Policies, Changes in Accounting Estimates and Errors (Definition of Material)
-) Amendments to MFRS 139: Financial Instruments: Disclosure (Interest Rate Benchmark Reform)
-) Amendments to MFRS 16: Leases (Covid-19-Related Rent Concessions)
-) MFRS 16, Leases
-) IC Interpretation 23, Uncertainty over Income Tax Treatments
-) Amendments to MFRS 112, Income Taxes (Annual Improvements to MFRS Standards 2015-2017 Cycle)
-) Amendments to MFRS 119, Employee Benefits - Plan Amendment, Curtailment or Settlement
-) Annual Improvements to MFRS Standards 2015 - 2017 Cycles

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

3. CHANGE IN ACCOUNTING POLICIES (Continued)

(b) Standards issued but not yet effective

The standards and amendments to standards that are issued but not yet effective up to the date of issuance of the Group's and the Company's financial statements are disclosed below. The Group and the Company intend to adopt these standards and amendments to standards, if applicable, when they become effective.

Effective for annual periods beginning on or after 1 January 2021:

- J Amendments to MFRS 9: Financial Instruments (Interest Rate Benchmark Reform - Phase 2)
- J Amendments to MFRS 139: Financial Instruments: Recognition and measurement (Interest Rate Benchmark Reform – Phase 2)
- J Amendments to MFRS 7: Financial Instruments: Disclosures (Interest Rate Benchmark Reform - Phase 2)
- J Amendments to MFRS 4: Insurance contract (Interest Rate Benchmark Reform - Phase 2)
- J Amendments to MFRS 16: Leases (Interest Rate Benchmark Reform - Phase 2)

Effective for annual periods beginning on or after 1 January 2022:

- J Amendments to MFRSs contained in the document entitled Annual Improvements to MFRS Standards 2018-2020
- J Amendments to MFRS 116: Property, plant and equipment (Property, Plant and Equipment–Proceeds before Intended Use)
- J Amendments to MFRS 137, Provisions, Contingent Liabilities and Contingent Assets (Onerous Contracts–Cost of Fulfilling a Contract)
- J Amendments to MFRS 3: Business Combinations (Reference to the Conceptual Framework)

Effective for annual periods beginning on or after 1 January 2023:

- J Amendments to MFRS 17: Insurance Contracts
- J Amendments to MFRS 101: Classification of Liabilities as Current or Non-current

The adoption of the above pronouncements did not have any material impact on the financial statements of the Group and the Company.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

4. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

(a) Intangible assets

The Group and the Company has intangible assets (other than goodwill) and the annual amortisation of intangible assets is charged to the statements of comprehensive income. The Group and the Company reviews the residual value and useful life of intangible assets at each reporting date in accordance with the accounting policy as disclosed in Note 2(f). Changes in the residual value arising from the impairment assessment and the review of useful life could have significant impact on the results of the Group and of the Company.

(b) Income taxes

There are certain transactions and computations for which the ultimate tax determination may be different from the initial estimate. The Group and the Company recognises tax liabilities based on its understanding of the prevailing tax laws and estimates of whether such taxes will be due in the ordinary course of business. Where the final outcome of these matters is different from the amounts that were initially recognised, such difference will impact the income tax and deferred tax provisions in the period in which such determination is made.

(c) Impairment of non-financial assets

When the recoverable amount of an asset is determined based on the estimate of the value-in-use of the cash generating unit to which the asset is allocated, the management is required to make an estimate of the expected future cash flows from the cash-generating unit and also to apply a suitable discount rate in order to determine the present value of those cash flows.

(d) Impairment of intangible assets

This requires management to estimate the expected future cash flows, to apply a suitable discount rate to determine the present value of those cash flows. The impairment assessment could be materially affected by the changes in the assumptions and estimates used in the cash flows projection.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

4. SIGNIFICANT ACCOUNTING POLICIES (Continued)

Key sources of estimation uncertainty (Continued)

(e) Impairment of financial assets

The Group and the Company assess at each reporting date whether there is any objective evidence that a loan or receivable is impaired. To determine whether there is objective evidence of impairment, the Group and the Company consider factors such as the probability of insolvency or significant financial difficulties of the debtor or significant delay in payments.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics. The carrying amounts of the Group and the Company's loan and receivables at the reporting date are disclosed in note to the financial statements.

In adoption of MFRS 9, the Group and the Company assess on a forward-looking basis the expected credit loss associated with their debt instruments carried at amortised cost. The impairment methodology applied as disclosed in Note 2(s) depends on whether there has been a significant increase in credit risk.

(f) Carrying value of investment in subsidiaries

Investment in subsidiaries is reviewed for impairment annually in accordance with its accounting policy whenever events or changes in circumstances indicate that the carrying values may not be recoverable.

Significant judgement is required in the estimation of the present value of future cash flows generated by the subsidiaries, which involves uncertainties and are significantly affected by assumptions and judgements made regarding estimates of future cash flows and discount rates. Changes in assumptions could significantly affect the carrying values of investment in subsidiaries.

(g) Impairment of investment in an associate

The Group and the Company assess at each reporting date whether the carrying amount of its investment in an associate is impaired. This involves measuring the recoverable amounts which includes fair value less costs to sell and valuation techniques. Valuation techniques include the use of discounted cash flows analysis, considering the current market value indicators and recent arms-length market transactions. These estimates provide reasonable approximations to the computation of recoverable amounts. In performing discounted cash flows analysis, discount rate and growth rates used reflect, amongst others, the maturity of the business development cycle as well as the industry growth potential. The growth rates used to forecast the projected cash flows for the following year approximate the performances of the respective investments based on the latest available management accounts.

	2022	2021
	RM	RM
At cost:		
At beginning of the financial year/period	22,865,357	-
Goodwill arising from consolidation	<u>6,076</u>	<u>22,865,357</u>
At end of the financial year/period	<u>22,871,433</u>	<u>22,865,357</u>

- (a) The carrying amount of goodwill allocated to the cash-generating unit (“CGU”) is as follows:

	Group	
	2022	2021
	RM	RM
Professional services	<u>22,871,433</u>	<u>22,865,357</u>

- (b) The Group has assessed the recoverable amount of goodwill allocated and determined that no impairment is required. The recoverable amount of the CGU is determined using the value in use approach and this is derived from the present value of the future cash flows from the operating segments computed based on the projections of financial budgets approved by directors covering a period of five years.

- (c) The key assumptions used in the determination of the recoverable amount are as follows:

- (i) Discount rate

The discount rate used to determine using a pre-tax discount rate of 3.90% (2021: 3.90%).

- (ii) Growth rate

The average growth rate used of 5% (2021: 5%) over five-year projection period and it is based on average growth levels experienced over the past ten years.

The values assigned to the above key assumptions represent directors’ assessment of future trends in the industry and are based on both external sources and internal source of information.

- (d) With regard to the assessment of value in use of the trading unit, the directors believe that no reasonably possible change in any of the above key assumptions would cause the carrying amount of the CGU to materially exceed its recoverable amount.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

16. CONTRIBUTED SHARE CAPITAL (Continued)

* Consolidation of every five (5) existing ordinary shares held by the registered shareholders of the Company into one (1) Consolidated Share credited as fully paid-up.

Ordinary shares of the Company have no par value. The holder of ordinary shares is entitled to receive dividends as and when declared by the Company. All ordinary shares carry one vote per share without restrictions.

17. RETAINED PROFITS

The retained profits of the Company are available for distributions by way cash dividend or dividends in specie. Under the single-tier system of taxation, dividends payable to shareholders are deemed net of income taxes. There is no potential income tax consequence that would result from the payment of dividends to shareholders.

18. NON-CONTROLLING INTERESTS

This consists of the non-controlling interest shareholders' proportion of share capital and reserves of a subsidiary, net of their share of subsidiary's goodwill on consolidation and amortisation of goodwill charged to the non-controlling interest shareholders.

19. AMOUNT ATTRIBUTABLE TO UNITHOLDERS

Movements in the number of units and net assets attributable to unitholders during the financial year were as follows:

	Group	
	2022	2021
	RM	RM
At beginning of the financial year/period	588,000	-
Amount attributable to unitholders brought forward by subsidiary	-	588,000
At end of the financial year/period	<u>588,000</u>	<u>588,000</u>

Each unit represents a right to an individual share in the Fund and does not extend to a right to the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

The current Malaysian tax rate is 24% (2021: 24%) on the chargeable income.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

25. EARNINGS PER SHARE

- (a) The basic earnings per share is calculated by dividing the Group's net profit attributable to owners of the Company by the weighted average number of ordinary shares in issue during the financial year.

	Group	
	2022	2021
	RM	RM
Profit attributable to owners of the Company	402,868	1,205,037
Weighted average number of ordinary shares in issue	76,173,591	76,173,591
Basic earnings per share (sen)	<u>0.53</u>	<u>1.58</u>

- (b) The diluted earnings per share is equivalent to the basic earnings per share as the Company does not have any potential ordinary shares outstanding at the end of the reporting period.

26. ACQUISITION OF SUBSIDIARY

During the financial year, the Group acquired the subsidiary for total consideration as follows:-

Name of subsidiary	Place of incorporation	Effective equity interest	Total consideration
Rakyat IT Link Malaysia Sdn. Bhd. (201901028277 (1226407 - T))	Malaysia	100%	RM18,750

Cash flows arising from acquisition

	Group 2022 RM
Cash consideration paid	18,750
Less: Cash and bank balances of a subsidiary acquired	<u>(21,081)</u>
Net cash inflow from the acquisition of a subsidiary	<u>(2,331)</u>

27. RELATED PARTY DISCLOSURES

(a) Identities of related parties

Parties are considered to be related to the Group if the Group or the Company has the ability, directly or indirectly, to control or jointly control the party or exercise significant influence over the party in making financial and operating decisions, or vice versa, or where the Group or the Company and the party are subject to common control.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

27. RELATED PARTY DISCLOSURES (Continued)

(a) Identities of related parties (Continued)

In addition to the information detailed elsewhere in the financial statements, the Group have related party relationships with its directors, key management personal and entities within the same group of companies.

(b) Significant related party transactions and balances

Other than those disclosed elsewhere in the financial statements, the Group and the Company also carried out the following significant transactions with the related parties during the financial period:-

	Group		Company	
	2022	2021	2022	2021
	RM	RM	RM	RM
Amount due from subsidiaries - Trade	-	-	77,500	37,513
Amount due from subsidiaries - Non-trade	-	-	-	92,801
Advances to related companies - Non-trade	714,589	316,587	-	-
Amount due to subsidiary - Non-trade	-	-	(148,371)	(158,009)
Amount due to related company - Non-trade	200	-	-	-
Sales to related company	-	-	44,987	45,013

28. SIGNIFICANT EVENT DURING THE FINANCIAL YEAR END

The outbreak of COVID-19 in early 2020 has affected the business and economic environments of the Group and the Company. The government and various private corporations have taken different measures to prevent the spread of the virus such as travel bans, quarantines, closures of non-essential services, social distancing and home quarantines requirements which impacted consumers' spending pattern and the Group's and the Company's operations directly and indirectly.

The Group and the Company has performed assessments on the overall impact of the situation on the Group's and the Company's operations and financial implications, including the recoverability of the carrying amount of assets and subsequent measurement of assets and liabilities, and concluded that there is no material adverse effect on the financial statements for the financial year ended 30 June 2022.

Given the fluidity of the situation, the Group and the Company will continuously monitor the impact of the Covid-19 and take appropriate and timely measures to minimise the impact of the outbreak on the Group's and the Company's operations.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

29. FINANCIAL INSTRUMENTS (Continued)

(c) Financial Risk Management Objectives and Policies

The Group's and the Company's activities are exposed to credit risk and liquidity risk. The Group's and the Company's overall financial risk management policy focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the Group's financial performance.

The groups' and the company's policies in respect of the major areas of treasury activity are as follows:-

(i) Credit risk

The Group's and the Company's exposure to credit risk, or the risk of counterparties defaulting arises mainly from trade and other receivables. The group manages its exposure to credit risk by the application of credit approvals, credit limits and monitoring procedures on an ongoing basis. For other financial assets (including cash and cash equivalents), the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

The Company monitors the results of these subsidiaries regularly and repayments made by the subsidiaries.

(a) Credit risk concentration profile

The Group and the Company does not have any major concentration of credit risk related to any individual customer or counterparty.

(b) Exposure of credit risk

At the end of the reporting period, the maximum exposure to credit risk is represented by the carrying amount of each class of financial assets recognised in the statements of financial position of the Group and the Company after deducting any allowances for impairment losses (where applicable).

(c) Assessment of impairment losses

At each reporting date, the Group and the Company assesses whether any of the financial assets at amortised cost and contract assets are credit impaired. The gross carrying amounts of financial assets are written off when there is no reasonable expectation of recovery (i.e the debtor does not have assets or sources of income to generate sufficient cash flows to repay the debt) despite the fact that they are still subject to enforcement activities.

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

29. FINANCIAL INSTRUMENTS (Continued)

(c) Financial Risk Management Objectives and Policies (Continued)

(i) Credit risk (Continued)

(d) Assessment of impairment losses

At each reporting date, the Group and the Company assesses whether any of the financial assets at amortised cost and contract assets are credit impaired. The gross carrying amounts of financial assets are written off when there is no reasonable expectation of recovery (i.e the debtor does not have assets or sources of income to generate sufficient cash flows to repay the debt) despite the fact that they are still subject to enforcement activities.

Trade receivables

The Group and the Company applies the simplified approach to measure expected credit losses which uses a lifetime expected loss allowance for all trade receivables.

To measure the expected credit losses, trade receivables have been grouped based on shared credit risk characteristics and the days past due.

The information about the exposure to credit risk for trade receivables are summarised below:

	Group		Company	
	2022	2021	2022	2021
	RM	RM	RM	RM
0 to 30 days past due	607,305	231,820	10,000	10,000
31 to 60 days past due	-	6,290	-	10,000
More than 90 days past due	700,852	913,092	67,500	17,513
Trade receivables	<u>1,308,157</u>	<u>1,151,202</u>	<u>77,500</u>	<u>37,513</u>

NOTES TO THE FINANCIAL STATEMENTS (Continued)

AS AT 30 JUNE 2022

29. FINANCIAL INSTRUMENTS (Continued)

(c) Financial Risk Management Objectives and Policies (Continued)

(i) Credit risk (Continued)

Other receivables

Other receivables are also subject to the impairment requirements of MFRS 9, the identified impairment loss was immaterial and hence, it is not provided for.

Cash and cash equivalents

The cash and cash equivalents are held with banks. As at the reporting period, the maximum exposure to credit risk is represented by their carrying amounts in the statements of financial position. These banks have low credit risks. Hence, a loss allowance is not necessary.

(ii) Liquidity risk

Liquidity risk arises mainly from general funding and business activities. The Group and the Company practises prudent risk management by maintaining sufficient cash balances and the availability of funding through certain credit facilities.

Analysis of financial instruments by remaining contractual maturities

The following table sets out the maturity profile of the financial liabilities as at the end of the reporting period based on undiscounted contractual cash flows (including interest payments computed using contractual rates or, if floating, based on the rates at the end of the reporting period):

Financial liabilities	Less than 1 year RM	Between 1 to 5 years RM	Total RM
2022			
Group			
Other payables and accruals	129,138	-	129,138
Amount due to Directors	186,865	-	186,865
Amount attributable to Unitholders	-	588,000	588,000
	316,003	588,000	904,003

30. CAPITAL RISK MANAGEMENT

The Group and the Company manages its capital to ensure that entities within the Group and the Company will be able to maintain an optimal capital structure so as to support its businesses and maximise shareholders value. To achieve this objective, the Group and the Company may make adjustments to the capital structure in view of changes in economic conditions, such as adjusting the amount of dividend payment, returning of capital to shareholders or issuing new shares.

The Group and the Company manages its capital based on debt-to-equity ratio that complies with debt covenants and regulatory requirements, if any. Capital includes equity attributable to the owners of the parent and non-controlling interest. The debt-to-equity ratio of the Group and the Company at the end of the financial year/period is as follows:-

	Group		Company	
	2022	2021	2022	2021
	RM	RM	RM	RM
Amount attributable to Unitholders	588,000	588,000	-	-
